The 1995 Of Jewish Thought

**Richard I. Cohen, Natalie B.
Dohrmann, Elchanan Reiner, Adam
Shear**

The 1995 Of Jewish Thought:

Jewish Thought Oliver Leaman, 2006-09-27 This fresh and contemporary introduction to the Jewish faith its philosophies and worldviews explores debates which have preoccupied Jewish thinkers over the centuries and examines their continuing influence in contemporary Judaism Written by Oliver Leaman a leading figure in the field the book surveys the central controversies in Judaism including the protracted arguments within the religion itself Topics range from the relations between Judaism and other religions such as Islam and Christianity to contemporary issues such as sex gender and modernity Central themes such as authority and obedience the relations between Jewish and Greek thought and the position and status of the State of Israel are also considered The debates are further illustrated by reference to the Bible as a profoundly realistic text in describing the long interaction between the Jews their ancestors and God as well as discussions about major thinkers and passages from the ancient texts The Mishnah Talmud and Midrash Oliver Leaman's lively approach and light touch makes Jewish Thought ideal reading for anyone who wants to understand more about the Jewish faith and its outlook past and present The 1995 Book of Jewish Thought Moshe Ch Sosevsky, 1995 **Studies on Astral Magic in**

Medieval Jewish Thought Dov Schwartz, 2021-11-29 The book describes a fascinating encounter between astrology and magic exposing how Hermetic magic seeped into Jewish literature and Jewish philosophy Following astral magic in its convoluted course this original work sheds new light on rationalist Jewish thought in the Middle Ages Having attained its authority mostly from its use in medical practice astral magic also developed a theology and provided a key to biblical interpretation Judah Halevi Nahmanides and others explained the meaning and influence of the commandments according to magic astral models and techniques generating a new perspective within medieval Jewish philosophy The book is intended for scholars of philosophy Jewish thought astrology and magic as well as for the general public with an interest in these areas

The Jewish Philosophy Reader Daniel H. Frank, Oliver Leaman, Charles Harry Manekin, 2000 A Comprehensive anthology of classic writings on Jewish philosophy from the Bible to postmodernism The Cambridge Companion to Medieval Jewish Philosophy Daniel H. Frank, Oliver Leaman, 2003-09-11 From the ninth to the fifteenth centuries Jewish thinkers living in Islamic and Christian lands philosophized about Judaism Influenced first by Islamic theological speculation and the great philosophers of classical antiquity and then in the late medieval period by Christian Scholasticism Jewish philosophers and scientists reflected on the nature of language about God the scope and limits of human understanding the eternity or createdness of the world prophecy and divine providence the possibility of human freedom and the relationship between divine and human law Though many viewed philosophy as a dangerous threat others incorporated it into their understanding of what it is to be a Jew This Companion presents all the major Jewish thinkers of the period the philosophical and non philosophical contexts of their thought and the interactions between Jewish and non Jewish philosophers It is a comprehensive introduction to a vital period of Jewish intellectual history **Jewish Philosophy Past and Present** Daniel

Frank, Aaron Segal, 2016-07-22 In this innovative volume contemporary philosophers respond to classic works of Jewish philosophy For each of twelve central topics in Jewish philosophy Jewish philosophical readings drawn from the medieval period through the twentieth century appear alongside an invited contribution that engages both the readings and the contemporary philosophical literature in a constructive dialogue The twelve topics are organized into four sections and each section commences with an overview of the ensuing dialogue and concludes with a list of further readings The introduction to the volume assesses the current state of Jewish philosophy and argues for a deeper engagement with analytic philosophy exemplified by the new contributions Jewish Philosophy Past and Present Contemporary Responses to Classical Sources is a cutting edge work of Jewish philosophy and at the same time an engaging introduction to the issues that animated Jewish philosophers for centuries and to the texts that they have produced It is designed to set the agenda in Jewish philosophy for years to come **Jewish Thought, Utopia, and Revolution** Elena Namli, Jayne Svenungsson, Alana M. Vincent, 2014-05-01

In response to the grim realities of the present world Jewish thought has not tended to retreat into eschatological fantasy but rather to project utopian visions precisely on to the present moment envisioning redemptions that are concrete immanent and necessarily political in nature In difficult times and through shifting historical contexts the messianic hope in the Jewish tradition has functioned as a political vision the dream of a peaceful kingdom of a country to return to or of a leader who will administer justice among the nations Against this background it is unsurprising that Jewish messianism in modern times has been transposed and lives on in secular political movements and ideologies The purpose of this book is to contribute to the deeper understanding of the relationship between Jewish thought utopia and revolution by taking a fresh look at its historical and religious roots We approach the issue from several perspectives with differences of opinion presented both in regard to what Jewish tradition is and how to regard utopia and revolution These notions are multifaceted comprising aspects such as political messianism religious renewal Zionism and different forms of Marxist and Anarchistic movements Jewish

Philosophy Norbert Samuelson, 2006-09-19 Surveys the history of Jewish philosophy from the formation of the Hebrew Scriptures This book is intended for courses in Jewish philosophy as well as for more general courses in religious thought Judaism and philosophy It highlights the Hebrew Scriptures the Midrash medieval rabbinic commentaries and modern works of Jewish theology **Toward a History of Jewish Thought** Zachary Alan Starr, 2020-03-09 The work is a history of Jewish

beliefs regarding the concept of the soul the idea of resurrection and the nature of the afterlife The work describes these beliefs accounts for the origin of these beliefs discusses the ways in which these beliefs have evolved and explains why the many changes in belief have occurred Views about the soul resurrection and the afterlife are related to other Jewish views and to broad movements in Jewish thought and Jewish intellectual history is placed within the context of the history of Western thought in general That history begins with the biblical period and extends to the present time Isaac Abarbanel's

Stance Toward Tradition Eric Lawee, 2012-02-01 Winner of the 2002 Nauchman Sokol Mollie Halberstadt Prize in Biblical

Rabbinic Scholarship presented by the Canadian Jewish Book Awards Finalist 2002 Scholarship Morris J and Betty Kaplun Award presented by the National Jewish Book Council Financier and courtier to the kings of Portugal Spain and Italy and Spanish Jewry's foremost representative at court at the time of its 1492 expulsion Isaac Abarbanel was also Judaism's leading scholar at the turn of the sixteenth century His work has had a profound influence on both his contemporaries and later thinkers Jewish and Christian Isaac Abarbanel's Stance Toward Tradition is the first full length study of Abarbanel in half a century The book considers a wide range of Abarbanel's writings focusing for the first time on the dominant exegetical side of his intellectual achievements as reflected in biblical commentaries and messianic writings Author Eric Lawee approaches Abarbanel's work from the perspective of his negotiations with texts and teachings bequeathed to him from the Jewish past The work provides insight into the important spiritual and intellectual developments in late medieval and early modern Judaism while offering a portrait of a complex scholar whose stance before tradition combined conservatism with creativity and reverence with daring

Central Problems of Medieval Jewish Philosophy Dov Schwartz, 2006-02-01 This book deals with central issues of medieval Jewish philosophy Among the subjects treated are divine immanence the intellect miracles and esoteric writing and its limits The work provides a new perspective on the history of Jewish philosophy in the Middle Ages Relying on many as yet unpublished manuscripts which enable it to offer new insights relating to such thinkers as Judah Halevi Maimonides and Gersonides it also presents a new and original perception of the dynamics of Jewish thought in general

German-Jewish Thought Between Religion and Politics Christian Wiese, Martina Urban, 2012-03-30 Since the Enlightenment period German Jewish intellectuals have been prominent voices in the multi faceted discourse on the reinterpretation of Jewish tradition in light of modern thinking Paul Mendes Flohr one of the towering figures of current scholarship on German Jewish intellectual history has made invaluable contributions to a better understanding of the religious cultural and political dimensions of these thinkers encounter with German and European culture including the tension between their loyalty to Judaism and the often competing claims of non Jewish society and culture This volume assembles essays by internationally acknowledged scholars in the field who intend to honor Mendes Flohr's work by portraying the abundance of religious philosophical aesthetical and political aspects dominating the thinking of those famous thinkers populating German Jewry's rich and complex intellectual world in the modern period It also provides a fresh theoretical outlook on trends in Jewish intellectual history raising new questions concerning the dialectics of assimilation In addition to that the volume sheds light on thinkers and debates that hitherto have not been accorded full scholarly attention

Metaphor and Imagination in Medieval Jewish Thought Dianna Lynn Roberts-Zauderer, 2019-12-12 This book reveals how Moses ibn Ezra Judah Halevi Moses Maimonides and Shem Tov ibn Falaquera understood metaphor and imagination and their role in the way human beings describe God It demonstrates how these medieval Jewish thinkers engaged with Arabic Aristotelian psychology specifically with regard to imagination and its role in cognition Dianna Lynn Roberts Zauderer

reconstructs the process by which metaphoric language is taken up by the imagination and the role of imagination in rational thought If imagination is a necessary component of thinking how is Maimonides idea of pure intellectual thought possible An examination of select passages in the Guide in both Judeo Arabic and translation shows how Maimonides attitude towards imagination develops and how translations contribute to a bifurcation of reason and imagination that does not acknowledge the nuances of the original text Finally the author shows how Falaquera s poetics forges a new direction for thinking about imagination

Historical Dictionary of Judaism Norman Solomon, 2015-01-30 This third edition of Historical Dictionary of Judaism covers the history of the Jewish religion ranging from its biblical roots through its formulation in the era of the Talmud to the present day This collection covers the development of Judaism in the medieval Christian and Islamic worlds its varied responses to Enlightenment and modernity the creation of new philosophies of Judaism in the wake of the Holocaust and the establishment of the State of Israel and contemporary issues such as feminism secularism and the ethics of war and medicine This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on important personalities in Jewish religious history including biblical personalities with an emphasis on how they are understood in Jewish Christian and Islamic tradition This book is an excellent access point for students researchers and anyone wanting to know more about Judaism

New Heavens and a New Earth Jeremy Brown, 2013-05-03 In this ground breaking study of the Jewish reception of the Copernican revolution Jeremy Brown examines four hundred years of Jewish writings on the Copernican model Brown shows the ways in which Jews ignored rejected or accepted the Copernican model and the theological and societal underpinnings of their choices Throughout *New Heavens and a New Earth* are deft historical studies of such colorful figures as Joseph Delmedigo the first Jewish Copernican and a student of Galileo s Tuviah Cohen who called Copernicus the Son of Satan Zelig Slonimski author of a collection of essays on Halley s Comet and contemporary Jewish thinkers who use Einstein s Theory of Relativity to argue that the Earth does not actually revolve around the sun Brown also provides insightful comparisons of concurrent Jewish and Christian writings on Copernicus demonstrating that the Jewish reception of Copernicus was largely dependent on local factors and responses The book concludes with the important lessons to be learned from the history of the Jewish reception of Copernican thought and shows how religions make room for new scientific descriptions of reality while upholding their most cherished beliefs

Jewish Culture in Early Modern Europe Richard I. Cohen, Natalie B. Dohrmann, Elchanan Reiner, Adam Shear, 2014-12-31 David B Ruderman s groundbreaking studies of Jewish intellectuals as they engaged with Renaissance humanism the Scientific Revolution and the Enlightenment have set the agenda for a distinctive historiographical approach to Jewish culture in early modern Europe from 1500 to 1800 From his initial studies of Italy to his later work on eighteenth century English German and Polish Jews Ruderman has emphasized the individual as a representative or exemplary figure through whose life and career the problems of a period and cultural context are revealed

Thirty one leading scholars celebrate Ruderman s stellar career in essays that bring new insight into Jewish culture as it is intertwined in Jewish European Ottoman and American history The volume presents probing historical snapshots that advance refine and challenge how we understand the early modern period and spark further inquiry Key elements explored include those inspired by Ruderman s own work the role of print the significance of networks and mobility among Jewish intellectuals the value of extraordinary individuals who absorbed and translated so called external traditions into a Jewish idiom and the interaction between cultures through texts and personal encounters of Jewish and Christian intellectuals While these elements can be found in earlier periods of Jewish history Ruderman and his colleagues point to an intensification of mobility the dissemination of knowledge and the blurring of boundaries in the early modern period These studies present a rich and nuanced portrait of a Jewish culture that is both a contributing member and a product of early modern Europe and the Ottoman Empire As director of the Herbert D Katz Center for Advanced Judaic Studies at the University of Pennsylvania Ruderman has fostered a community of scholars from Europe North America and Israel who work in the widest range of areas that touch on Jewish culture He has worked to make Jewish studies an essential element of mainstream humanities The essays in this volume are a testament to the haven he has fostered for scholars which has and continues to generate important works of scholarship across the entire spectrum of Jewish history

In Search of Identity Dan Urian, Efraim Karsh, 1999 This study of Israeli culture affords a meaningful insight into a society in a state of transition **An**

Introduction to Judaism Nicholas de Lange, 2009-12-03 In this book contemporary Judaism is presented in all its rich diversity including both traditional and modern theologies as well as secular forms of Jewish identity While the focus of the book is on developments that have taken place in the past two hundred years they are set against a historical background going back to the Bible Beginning with a description of the Jewish people as it exists in today s world it studies the unique concept of Jewish peoplehood and its survival over the centuries in the face of many challenges An account of the key texts is followed by studies of the different interpretations of the religion and the ways that life is lived out both in the home and in the community Jewish theology is described both historically and in terms of contemporary issues An important and distinctive section considers the goals of Jewish life and faith *The Routledge Companion to Religion and Science* James

W. Haug, Gregory R. Peterson, Michael L. Spezio, 2012-03-12 The field of religion and science is one of the most exciting and dynamic areas of research today This Companion brings together an outstanding team of scholars to explore the ways in which science intersects with the major religions of the world and religious naturalism The collection provides an overview of the field and also indicates ways in which it is developing Its multicultural breadth and scientific rigor on topics that are and will be compelling issues in the first part of the twenty first century and beyond will be welcomed by students and scholars alike

Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays

discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness
Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue
Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly
