Country Demographic Profiles ,1973 *So You Want to Sing Country* Kelly K. Garner,2016-10-27 Country music an original American artform has been around since before the recording industry began and long before a singer even had the opportunity to sing into a microphone From the early beginnings in the hills of Appalachia to the rise of Hank Williams Patsy Cline and the more recent megastars including Garth Brooks and Carrie Underwood country music has proven to have staying power It is one of the most popular styles of music in the world today garnering more sales and downloads currently than any other genre Many talented individuals are aspiring to sing country music and are determined to turn it into a successful career Because of this growing popularity there is a need to educate interested singers with information and methods that will give them the best possible chance at either having a career as a artist working in the industry as a background vocalist or session singer or simply realizing their potential in country music Kelly K Garner's *So You Want To Sing Country* is a book devoted to briefly reviewing the rich heritage of country singing and thoroughly examining the techniques and methods of singing in a country style Additional topics of discussion will include country song types and structure instrumentation performing on stage and in the studio and career options in country music Additional chapters by Scott McCoy and Wendy LeBorgne and Matthew Edwards address universal questions of voice science and pedagogy vocal health and audio enhancement technology The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing Like all books in the series *So You Want to Sing Country* features online supplemental material on the NATS website Please visit www.nats.org to access style specific exercises audio and video files and additional resources **Deglobalization, Financial Inequality, and the Green Economy** Fikret Čaušević,2023-10-20 One of the most challenging issues for the current state of global economy is a highly uneven distribution of global financial assets and liabilities Drawing on extensive data this book analyses the new global divisions in economic and financial inequality across

the globe in the first two decades of this century After outlining the context of the global financial system in the aftermath of the Global Financial Crisis of 2008 2009 this book provides a detailed examination of the data on economic and financial inequality analysing growth rates relative to financial liabilities and assets for all countries where data is available The central issues in understanding the financial and environmental efficiency of economic growth are also addressed as well as the development of financial and regulatory technologies FinTech and RegTech The final part of this book explores the changes in economic growth and financial assets liabilities as a result of major events in the past three years Covid Crisis the rise of inflation and the Russian invasion of Ukraine The focal point of this analysis is the relationship between the speed of economic growth the use of financial resources for funding that growth and levels of inequality The green transition as one of the most important challenges in the global economy is an integral part of this analysis along with the inequality in available financial resources for this transition and potential threats to global financial stability This book will be vital reading for those interested in inequality financial economics the global financial system and economic growth

Rethinking Canadian Aid Stephen Brown, David R. Black, Molly den Heyer, 2015-01-08 In 2013 the government abolished the Canadian International Development Agency CIDA which had been Canada's flagship foreign aid agency for decades and transferred its functions to the newly renamed Department of Foreign Affairs Trade and Development DFATD As the government is rethinking Canadian aid and its relationship with other foreign policy and commercial objectives the time is ripe to rethink Canadian aid more broadly Edited by Stephen Brown Molly den Heyer and David R Black this is the first book on Canadian foreign aid since CIDA was folded into DFATD Designed to reach a variety of audiences contributions by twenty one scholars and experts in the field offer an incisive examination of Canada's record and recent changes in Canadian foreign aid such as its focus on maternal and child health and on the extractive sector Many chapters also ask more fundamental questions concerning the intersection of the moral imperative that underpins aid and the trend towards greater self interest For instance what are and what should be the underlying motives of Canadian aid How compatible are altruism and self interest in foreign aid To what extent should aid be integrated with Canada's other policies and practices The portrait that emerges is a sobering one This book is essential reading for anyone interested in Canada's changing role in the world and how it reflects on Canada

Representation Maria C. Escobar-Lemmon, Michelle M. Taylor-Robinson, 2014 The essays in this book look at the question of how to study women's representation and women's political interests Following a theoretical positioning of the meaning of women's interests the book looks at descriptive representation in political parties high courts and legislatures as well as how definitions of interest affect who represents women in legislatures and social movements Chapters include cases from the United States Latin America Western Europe and Africa

Nazrul Islam, André van Amstel, 2019-03-01 The aim of this book is to provide information to scientists and local government to help them better understand the particularities of the local climate Climate change is one of the biggest challenges to society It can lead to serious impacts on production life and environment on a global scale Higher temperatures and sea level rise will cause flooding and water salinity problems which bring about negative effects on agriculture and high risks to industry and socio economic systems in the future Climate change leads to many changes in global development and security especially energy water food society job diplomacy culture economy and trade The Intergovernmental Panel on Climate Change IPCC defines climate change as Any change in climate over time whether due to natural variability or as a result of human activity Global climate change has emerged as a key issue in both political and economic arenas It is an increasingly questioned phenomenon and progressive national governments around the world have started taking action to respond to these environmental concerns *Achieving Universal Primary Education by 2015* Barbara Bruns, Ramahatra Rakotomalala, 2003 Annotation This book seeks to provide answers to the following questions Where do we stand today in relation to the target of universal primary completion Is universal primary completion achievable by 2015 What would be required to achieve it The book includes a CD ROM containing a hands on version of the simulation model developed by the authors and all of the background data used **Culture Beyond Country** Amy Malek, 2025-10-14 Offers an in depth exploration of the Iranian diaspora and the negotiation of belonging With an estimated 5 to 8 million people spread across the globe the Iranian diaspora has become a visible and dynamic cultural presence especially in North America and Europe Faced with shallow or distorted portrayals diasporic Iranians have responded to persistent misrepresentations and marginalization by turning to culture as a deliberate strategy of inclusion Reshaping how their stories are told community organizers artists and entrepreneurs are actively challenging public narratives asserting new cultural imaginaries and navigating the terms of inclusion and exclusion putting new visions of Iranian identity into the public eye Drawing on transnational ethnographic fieldwork and over 125 semi structured interviews conducted over the course of 16 years Culture Beyond Country offers the first comparative ethnography of these cultural strategies of inclusion examining the distinct practices and experiences of Iranians in three key cities of the diaspora Los Angeles Stockholm and Toronto Attending to the institutional and ideological forces that come to bear on Iranian cultural organizers in these three diasporic locations Amy Malek examines how immigrants and their descendants negotiate belonging in response to various and shifting state approaches to cultural citizenship The volume examines how state multicultural policy influences who is empowered to represent Iranian culture how local factors shape expressions of Iranian identity across the diaspora and how these representations are contested within Iranian communities Providing a compelling transnational study of immigrant multiculturalism cultural citizenship and inclusion across the global Iranian diaspora Culture Beyond Country showcases not

only how the process of representing Iranian culture in the diaspora generates competing views on what it means to be Iranian but also how competing modes of belonging subvert and reinforce existing power relations across local national and transnational scales

The Eastern Caribbean Economic and Currency Union Mr.Alfred Schipke,Aliona Cebotari,Ms.Nita Thacker,2013-04-10 The Eastern Caribbean Economic and Currency Union OECS ECCU is one of four currency unions in the world As in other parts of the world in the aftermath of the global economic and financial crisis the region is at a crossroads facing the major challenges of creating jobs making growth more inclusive reforming the banking system and managing volatility while grappling with high public debt and persistent low economic growth Policymakers have the critical task of implementing strong reforms to strengthen the monetary union while also laying the foundation for accelerating growth This Handbook provides a comprehensive analysis of the key issues in the OECS ECCU including its organization and economic and financial sector linkages and provides policy recommendations to foster economic growth

Branded Entertainment and Cinema Gloria Dagnino,2019-11-25 The history of Italian cinema is mostly regarded as a history of Italian auteurs This book takes a different standpoint looking at Italian cinema from the perspective of an unusual but influential actor advertisers From the iconic Vespa scooter and the many other Made in Italy products placed in domestic and international features to Carosello s early format of branded entertainment up through the more recent brand integration cases in award winning titles like The Great Beauty the Italian film and advertising industries have frequently and significantly intersected in ways that remain largely unexplored by academic research This book contributes to fill this gap by focusing on the economic and cultural influence that advertising and advertisers interests have been exerting on Italian film production between the post war period and the 2010s Increasingly market oriented film policies ongoing pressure from Hollywood competition and the abnormal economic as well as political power held by Italian ad funded broadcasters are among the key points addressed by the book In addition to a macro level political economic analysis the book draws on exclusive interviews with film producers and promotional intermediaries to provide a meso level analysis of the practices and professional cultures of those working at the intersection of Italian film and advertising industries Providing an in depth yet clear and accessible overview of the political and economic dynamics driving the Italian media landscape towards unprecedented forms of marketisation this is a valuable resource for academics and students in the fields of film and media studies marketing advertising and Italian studies

Has the Immigrant Kept the Faith? A Study of Immigration and Catholic Growth in the United States, 1790-1920 Gerald Shaughnessy,1925

Africa's Population: In Search of a Demographic Dividend Hans Groth,John F. May,2017-05-23 This book examines the promises as well as the challenges the demographic dividend brings to sub Saharan Africa as fertility rates in the region fall and the labor force grows It offers a detailed analysis of what conditions must be met in order for the region to take full economic advantage of ongoing population dynamics As the book makes clear the region will need to accelerate reforms to cope with its demographic transition in particular the decline of fertility The continent will

need to foster human capital formation through renewed efforts in the areas of education health and employment This will entail a true vision and determination on the part of African leaders and their development partners The book will help readers to gain solid knowledge of the demographic trends and provide insights into socioeconomic policies that eventually might lead sub Saharan Africa into a successful future *Carrie Underwood* Vernell Hackett,2010-09-16 In this book follow the career of Carrie Underwood as she goes from the American Idol competition to worldwide celebrity Carrie Underwood A Biography follows the singer from a small town in Oklahoma to the stages of the most prestigious concert halls in the world Along the way fans will read about this girl next door s decision to compete on American Idol and her subsequent triumph there about her first recordings in Nashville and her platinum albums and about her sold out concert tours with superstars like Brad Paisley Kenny Chesney and Keith Urban But the book isn t only about Underwood as a celebrity It is also about how she uses that celebrity to do good works including speaking out for the Humane Society of the United States participating in a song that benefited Stand Up For Cancer doing public service announcements for the Do Something youth organization and touring for the USO Benchmarking Working Europe 2013 ,2013 Widening economic and social gaps among EU member states as well as among different groups and categories of citizens within society are not only placing in jeopardy the future of Social Europe but threatening to undermine also the whole project of European integration The post 2008 recession and debt crisis helped along by EU leaders obstinate clinging to the failing remedies of fiscal austerity have accelerated the disenchantment of millions of European citizens with the half century old project to build and consolidate a European Union This is one of the most striking conclusions of the ETUI s Benchmarking Working Europe report for 2013 Benchmarking Working Europe is one of the ETUI s regularly appearing flagship publications Issued annually since 2002 the report offers an alternative perspective on EU developments Using publicly accessible data it reveals what is actually going on behind the EU social and economic affairs headlines After last year s issue focused on growing inequality in Europe this year s Benchmarking Working Europe report will demonstrate by means of hard hitting graphs and cogent arguments that Europe is rather than converging actually drifting apart in numerous respects **Country Music** Richard Carlin,2003 This illustrated A Z guide covers more than 700 country music artists groups and bands Articles also cover specific genres within country music as well as instruments used Written in a lively engaging style the entries not only outline the careers of country music s greatest artists they provide an understanding of the artist s importance or failings and a feeling for his or her style Select discographies are provided at the end of each entry while a bibliography and indexes by instrument musical style genre and song title round out the work For a full list of entries a generous selection of sample entries and more visit the Country Music A Biographical Dictionary website Population Projections for India, 1981-2001, Series 1, India ,1984
