Sourcebook on Violence Against Women Claire M. Renzetti, Jeffrey L. Edleson, Raquel Kennedy Bergen, 2011 Jonathan Letterman was an outpost medical officer serving in Indian country in the years before the Civil War responsible for the care of just hundreds of men But when he was appointed the chief medical officer for the Army of the Potomac he revolutionized combat medicine over the course of four major battles Antietam Fredericksburg Chancellorsville and Gettysburg that produced unprecedented numbers of casualties He made battlefield survival possible by creating the first organized ambulance corps and a more effective field hospital system He imposed medical professionalism on a chaotic battlefield Where before 20 percent of the men were unfit to fight because of disease squalid conditions and poor nutrition he improved health and combat readiness by pioneering hygiene and diet standards Based on original research and with stirring accounts of battle and the struggle to invent and supply adequate care during impossible conditions this new biography recounts Letterman s life from his small town Pennsylvania beginnings to his trailblazing wartime years and his subsequent life as a wildcatter and the medical examiner of San Francisco At last here is the missing portrait of a key figure of Civil War history and military medicine His principles of battlefield care continue to be taught to military commanders and first responders

The Official Patient's Sourcebook on Sleep Apnea James N. Parker, 2002 This book has been created for patients who have decided to make education and research an integral part of the treatment process Although it also gives information useful to doctors caregivers and other health professionals it tells patients where and how to look for information covering virtually all topics related to sleep apnea also central sleep apnea nocturnal upper airway occlusion obstructive sleep apnea Ondine s curse pediatric obstructive sleep apnea Pickwickian syndrome from the essentials to the most advanced areas of research The title of this book includes the word official This reflects the fact that the sourcebook draws from public academic government and peer reviewed research Selected readings from various agencies are reproduced to give you some of the latest official information available to date on sleep apnea Given patients increasing sophistication in using the Internet abundant references to reliable Internet based resources are provided throughout this sourcebook Where possible guidance is provided on how to obtain free of charge primary research results as well as more detailed information via the Internet E book and electronic versions of this sourcebook are fully interactive with each of the Internet sites mentioned clicking on a hyperlink automatically opens your browser to the site indicated Hard copy users of this sourcebook can type cited Web addresses directly into their browsers to

obtain access to the corresponding sites In addition to extensive references accessible via the Internet chapters include glossaries of technical or uncommon terms **The Official Patient's Sourcebook on Dry Mouth** James N. Human Rights Manual and Sourcebook for Africa Keir Starmer,Theodora A. Christou,2005 At a time when the issue of human rights in Africa is making many advances Human Rights Sourcebook and Manual for Africa introduces easy to use jurisprudence The first section covers key principles and human rights norms which are detailed in straightforward language The second section is devoted to the death penalty detailing the relevant provisions from both international and regional instruments and offering a comparative commentary as to how the principles and relevant rights relate to the death penalty The third section summarizes key case law from international regional and domestic African courts and tribunals The case summaries detail the facts and decisions and include a headnote of relevant concepts for quick reference The fourth section focuses on thirteen African countries yet the reports are a useful comparative resource for all countries From conducting the research and compiling the material for this final section it is apparent that nothing like this has been attempted before in Africa Much of the work emanates from primary research and investigation conducted by local research teams in the individual countries Investigative research includes visiting prisons physically counting the individuals on death row and interviewing the detainees to obtain their age and the length of time they had been on death row *The Official Patient's Sourcebook on Dysphagia* James N. Parker,2002 This book has been created for patients who have decided to make education and research an integral part of the treatment process Although it also gives information useful to doctors caregivers and other health professionals it tells patients where and how to look for information covering virtually all topics related to dysphagia also Hypospadias Dysphagia Syndrome Sideropenic dysphagia from the essentials to the most advanced
