remarkable compilation of evidence that we are inevitably heading toward a major shift in consciousness I was very impressed he must have read hundreds of books in his research of this compilation It includes history going back to matriarchal times biblical times esoterica alien influences the Mayans of course the Bible code Terence McKenna s analysis of the I Ching and much much MUCH more Modern events such as 9 11 and OJ Simpson are weaved into the prophecies Though I have read a great deal on the vast majority of these topics I was nonetheless surprised and shocked by tidbits of info such as the concept that men actually leave energy lines in women during sex and these take 7 years to go away Astronaut Edgar Mitchell went into Samadhi during his space flight I was most astonished to learn that even hard headed engineering types have concluded that this shift is inevitable as we head toward zero point energy There is hope on the horizon I love how Mr Briggs suggests we will develop siddhis powers after the shift Attendance at the Hogwarts schools of the new Golden Age promises inconceivable thrills as we develop our God given siddhis in a natural and controlled environment Without doubt the most popular class will be flying Sporadic levitations have been recorded throughout history mostly connected with an overpowering euphoric vision rapture My only complaint about this book is that there is no introduction for us to get the overall picture of what the book is about nor is there an author bio But if you want a summary of all things pointing to a major shift this is a great read Susan Schenck Amazon Top 1000 Reviewers [The A B C of Collecting Old English China](#) J. F. Blacker,1908 [An ABC of Witchcraft Past and Present](#) Doreen Valiente,2018-01-31 This is the only book of its kind on witchcraft that has been written by a practising witch It is intended to be not merely a history but a guide to the many strange byways of a vast and fascinating subject Witchcraft is as old as the human race and it is actively practised today by people of all classes To its devotees witchcraft is more than spells and charms or even secret meetings and rituals it is a philosophy and a way of life It claims to be the oldest form of religion that of nature worship and magic Since the last Witchcraft Act was repealed in 1951 the revival of public interest in witchcraft has been the subject of continuous controversy This book is a serious contribution to the study of a subject too long obscured by prejudice and sensationalism **The ABC Universal Commercial Electric Telegraphic Code, Etc** William Clauson THUE,1873
