### **The Apocalyptic**

**Imagination** John J. Collins ,2016 One of the most widely praised studies of Jewish apocalyptic literature ever written The

Apocalyptic Imagination by John J Collins has served for over thirty years as a helpful relevant comprehensive survey of the apocalyptic literary genre After an initial overview of things apocalyptic Collins proceeds to deal with individual apocalyptic texts the early Enoch literature the book of Daniel the Dead Sea Scrolls and others concluding with an examination of apocalypticism in early Christianity Collins has updated this third edition throughout to account for the recent profusion of studies germane to ancient Jewish apocalypticism and he has also substantially revised and updated the bibliography

**The Obedient Son** Brandon D. Crowe, 2012-04-02 It has often been observed that Jesus filial obedience is an important Matthean theme In this work the author argues that the articulation of Jesus as Son of God in Matthew is significantly influenced by the Deuteronomic concept of obedient sonship After noting the complexities of Matthew's use of Scripture including the subtle ways he engages texts Deuteronomy's pervasive influence in ancient Judaism and Christianity is considered It is argued that the requirement of Israel's covenantal obedience as God's son's is a major concern in Deuteronomy as well as in other Jewish and Christian texts that appear to echo Deuteronomy Indeed it is argued that a pattern can be detected in which the sonship of Israel is invoked either to summon Israel to obedience or to rebuke the nation for disobedience The author concludes that the necessity of Israel's obedient sonship is an important part of Matthew's interpretive milieu that derives ultimately from Deuteronomy and our understanding of Matthean Christology is greatly enhanced when viewed in this context This study may further help us understand why Matthew's concern with obedient sonship applies not only to Jesus uniquely but also to the early Christian community

**The Great Controversy** Tom de Bruin, 2014-12-10 The Testaments of the Twelve Patriarchs T12P one of the longest texts of the so called Old Testament Pseudepigrapha presents the fictitious farewell speeches that the twelve sons of Jacob held on their respective deathbeds Tom de Bruin examines these twelve monologues as literary products in order to understand the function of the text for the setting in which it was composed He approaches T12P from three directions an analysis of the paraenetic parts a discussion of the anthropology and a comparative examination of other contemporaneous works documenting a world view similar to T12P These three approaches merge into a detailed discussion about the reasoning behind the admonition in T12P and identifies the fundamental message of the text namely that each person stands between the forces of good and evil and that this person is called to constantly decide which way to follow Though T12P is still familiar with the apocalyptic origin and plays with the cosmological implications of this great controversy the text clearly puts the emphasis on the battle inside each individual It is thereby an important witness for reinterpreting and reapplying apocalyptic traditions through ethicizing them and focusing on the individual Such an individualistic application of the great controversy theme can be found in a number of other mostly Christian works revealing a similar understanding of mankind's existence and development as in T12P The analysis of the ethical reappropriation of apocalyptic traditions in T12P provides important insights into the foundations of early Christian ethics ancient anthropology and the Jewish and Christian understanding of the struggle between good and evil

*Images of Joshua in the Bible and Their Reception* Zev Farber, 2016-07-11 The central theme of the book is the relationship between a hero or cultural icon and the cultures in which he or she is venerated On one hand a hero cannot remain a static character if he or she is to appeal to diverse and dynamic communities On the other hand a traditional icon should retain some basic features in order to remain recognizable Joshua son of Nun is an iconic figure of Israelite cultural memory described at length in the Hebrew Bible and venerated in numerous religious traditions This book uses Joshua as a test case It tackles reception and redaction history focusing on the use and development of Joshua's character and the deployment of his various images in the narratives and texts of several religious traditions I look for continuities and discontinuities between traditions as well as cross pollination and polemic The first two chapters look at Joshua's portrayal in biblical literature using both synchronic literary analysis as well as diachronic *berlieferungsgeschichte* and redaction source criticism methodologies The other four chapters focus on the reception history of Joshua in Second Temple and Hellenistic Jewish literature in the medieval Arabic Samaritan Book of Joshua in the New Testament and Church Fathers and in Rabbinic literature
