Bausch, 1988 Discusses the physical psychological and spiritual aspects of human sexuality in the 1980 s as they apply to Catholic boys The Sacraments Joseph Martos, 2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional

theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments org](http://www.TheSacraments.org)

Catholic Divorce Pierre Hegy, Joseph Martos, 2006-02-20 Many people believe that the Roman Catholic Church's teaching on marriage is clear and consistent marriage is a sacrament the marriage contract is indissoluble divorce and remarriage are forbidden In this book theologians historians and sociologists overhaul the church's teaching and practice on divorce and remarriage as well as personal testimonies from a number of persons who have gone through the annulment process

Making Sense of Sex Adrian Thatcher, 2012-06-21 All living

creatures are sexed Human beings belong to societies where traditions about who can have sex with whom and how and when are centuries old Making sense of sex assumes that there is a rational way of understanding our basic drives But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex The Christian tradition especially in its conservative forms is often thought to be unhelpful in making sense of sex Christian sexual ethics may seem overly demanding holistic in theory yet sexist and pessimistic in practice Adrian Thatcher argues however that instead of being pessimistic about sex Christians can be grateful realists instead Making Sense of Sex draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality Exploring topics such as desire bodies and the Body of Christ sexual difference homosexuality marriage and Paul s reflection on flesh and spirit it will help to guide readers towards a spiritual understanding of shared sexual love **Sex and Love in the Home, Second Edition** David M.

McCarthy,2011-01-01 This book inaugurates a completely new way of thinking about the ethics of marriage and sex I know of no book on the subject more promising than what McCarthy has achieved here Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke University Much has been written in Christian theology about sex love and procreation but their social meanings and contributions are much more rarely addressed McCarthy now takes this greatly neglected task eloquently connecting the Christian household to the common good All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life Lisa Sowle Cahill J Donald Monan Professor of Theology Boston College Drawing on his own experience of learning how to be a husband and father David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household a neighborly space which resists consumerism and enables sexual relationships to be ordinary meaningful and passionate If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values then this is the book for you Gerard Loughlin Senior Lecturer in Religious Studies University of Newcastle upon Tyne

Christian Ethics Judith Caron,2001-12-27 Christian Ethics focuses on understanding the relationship between one s ethical self society s rules and the consequences of one s actions It operates from a Judeo Christian perspective that also takes into account the ethical system of other major world religions Christian Ethics draws from philosophy theology and psychology It considers the roles of personality development conscience formation gender difference religious values and social structures in ethical decision making It probes the questions and dilemmas of good vs evil personal vs communal values authority vs conscience religion vs society and civil vs moral law Examples and case studies drawn from the fields of social medical sexual business political environmental and personal ethics are used throughout the book and illuminate the process for personal decision making **Journal of the American Scientific Affiliation** American Scientific

Affiliation,1986 **In Pursuit of Love** Vincent J. Genovesi,1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing

with sexual morality that have appeared since 1986 The Catechism of the Catholic Church Pope John Paul II s encyclicals Veritatis splendor and Evangelium vitae and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph s University in Philadelphia His articles have appeared in such journals as The Thomist The Way America and Review for Religious
