reveal how ordinary moments and elements of our lives are pathways to a better understanding of ourselves and the world around us haiku can have both a meditative and consequential effect on the reader A key to the connection between haiku and golf is that both foster powers of concentration and detailed observation with a related reduction of distractions Both seek to cultivate a more tranquil and disciplined mind and to translate that condition into how a life is lived and a game is played

Handbook of Poetic Forms Jessica Bundschuh,Irmtraud Huber,2025-10-06 This Handbook of Poetic Forms aims to offer historically informed approaches to a wide variety of poetic forms A particular emphasis will be on considering poetic form in dialogue with the cultural context in which it is being used as well as within the literary tradition of each form and to explore the stable as well as the historically variable affordances of each form in such contexts Hereby the focus lies on prescriptive forms that is on poetic forms which are defined by or at least associated with specific metrical stanzaic or overall structures or the absence of such rather than poetic genres that are primarily characterised by similarities in subject matter like the elegy or the ode While this Handbook should be accessible to students its aim is not to offer basic introductions but rather to broaden a historical and functional understanding of the poetic forms it covers and to engage with poetic forms not as givens but as historically contingent processes of formation Above all this Handbook s formalism is new formalist in emphasising historical awareness and contextualisation
