

The Hasidic Anthology

TALES and TEACHINGS of THE HASIDIM

*Translated from the Hebrew, Yiddish, and
German, and selected, compiled, and arranged*

by

Louis L. Newman

"This is a precious treasury of Jewish thinking and feeling. When a contemporary has the feeling, when we have forgotten, of spiritual and moral commitment, let the great Hasidim tell us. Their words are a challenge to our generation."

"This is a remarkable book—a valuable treasure chest. The stories and sayings, with their spiritual force, are like the discovery of new biblical verses. In exploring it, our people's values, with their deep scholarship and homely wisdom, become alive. The reader is made conscious and responsible witness of the wisdom, experience and insight."

—Isidor Feinstein Harry
