### The Haunted Camera:

The Haunted Camera Drac Von Stoller, 2012-05-23 Delbert Gray was an amateur photographer with a hunger for fame The camera Delbert used was a cheap Kodak Instamatic You can see why Delbert dreamed of owning a Nikon like his rich friend Michael Michael would let his friend Delbert develop his pictures in his dark room while he was developing his own Delbert envied Michael's photographs and would often close his eyes and daydream about being a famous photographer someday Delbert was only fifteen years old He wasn t old enough to get a job like his friend Michael and bring in a big paycheck As Michael was puffing on his cigarette in the dark room developing his film beside Delbert Michael would often make remarks about Delbert's photographs and tell him if he wanted to take pictures like him he needed to throw that cheap camera in the trash and buy one like his Delbert replied with a lump in his throat You know I don't have a job and my parents wouldn't even consider buying me a camera such as yours Michael replied You know something Delbert either you get a good quality camera or I m going to ask you to stop developing your photographs in my dark room Your photographs are pathetic Delbert answered back in a sad tone of voice That wasn t a very nice thing to say to your friend I know but it s the truth and sometimes the truth hurts exclaimed Michael Well let me tell you something Michael I m going to own a camera like yours someday and when I do you ll be jealous of me said Delbert in a stern voice Delbert took his Instamatic camera and photographs with him and told Michael he wouldn't be back to see him until he found that special camera Michael just laughed and said to Delbert Looks like I ll be in the old folks home when that happens Delbert exited the dark room and slammed the door behind him walked home and threw his Instamatic camera at his bedroom wall Delbert said What have I done now I don t have a camera What am I going to do now Delbert sat on his bed crying because he knew he had no way of replacing the Instamatic camera he had just broken Delbert made up a story about how the camera broke but his father just laughed and said Are you out of your mind You ll be able to get a job in about a year then you can buy yourself a new camera Delbert's father turned away and told Delbert he didn't want to hear any whining about how I should buy him a new camera Delbert yelled at his father saying But Dad it was an accident Delbert's father turned back around and kicked him in his rear end and slammed the door behind him Delbert lay down on his bed and cried his eyes out the rest of the night Morning came and Delbert wiped the remaining tears from his cheeks Delbert took a deep breath and said a prayer Delbert decided instead of lying in bed all day sulking about why his friend Michael would be saying I told you so Delbert got dressed and grabbed an apple from the kitchen and a soda headed down the road on foot in search of that special camera As Delbert was walking around the town square he came across an Antique shop that had an old bellows camera in the display window Delbert said to himself If I could just have that camera I bet it would take better pictures than Michael's Delbert slumped over with tears again flowing down his cheeks knowing in reality there was no way he could afford such a beautiful camera Just as Delbert was walking past the Antique shop an old man opened the door came up to Delbert and said I noticed you were looking at

that old camera in the window as if it belonged to you Delbert answered Yes Sir I was only wishing I knew in my heart I could not afford such a beautiful camera Besides I don t even have a job or any money to give you and my father told me the only way I could buy a new camera was to get a job next year By that time your camera would be gone and I would be heartbroken once more Well I better be on my way because if I don t get home soon my dad is going to whoop me Not so fast the old man said in a tender voice I ve never had anyone come by my shop and want any of my antiques like you have I tell you what if you want the camera it s yours to keep Don t worry about the money your money is no good to me There s only one condition Bring me a copy of the photos you take I have a scrapbook that I would like to place them in That s all I ask of you What do you say Delbert answered back eagerly Yes Sir Delbert started crying because his prayer had been answered

31 Horrifying Tales from the Dead Volume II is a continuation of short stories authored by Horror fiction writer Drac Von Stoller More scary tales about ghosts witches supernatural occult demons zombies aliens and urban legends The Camera Does the Rest Peter Buse, 2016-05-27 In a world where nearly everyone has a cellphone camera capable of zapping countless instant photos it can be a challenge to remember just how special and transformative Polaroid photography was in its day And yet there s still something magical for those of us who recall waiting for a Polaroid picture to develop Writing in the context of two Polaroid Corporation bankruptcies not to mention the obsolescence of its film Peter Buse argues that Polaroid was and is distinguished by its process by the fact that as the New York Times put it in 1947 the camera does the rest Polaroid was often dismissed as a toy but Buse takes it seriously showing how it encouraged photographic play as well as new forms of artistic practice Drawing on unprecedented access to the archives of the Polaroid Corporation Buse reveals Polaroid as photography at its most intimate where the photographer photograph and subject sit in close proximity in both time and space making Polaroid not only the perfect party camera but also the tool for frankly salacious pictures taking Along the way Buse tells the story of the Polaroid Corporation and its ultimately doomed hard copy wager against the rising tide of digital imaging technology He explores the continuities and the differences between Polaroid and digital reflecting on what Polaroid can tell us about how we snap photos today Richly illustrated The Camera Does the Rest will delight historians art critics analog fanatics photographers and all those who miss the thrill of waiting to see what develops The Haunted Heart of Denver Kevin Pharris, 2011-09-02 There is no shortage of ghouls and goblins in Colorado s Mile High City Just ask reluctant ghost hunter Kevin Pharris author of Riding Denver's Rails The Gates of Hell are rumored to lie below a hotel near Denver's capitol building and there are tales of restless spirits of those buried in Cheesman Park Above the subterranean darkness the city streets are haunted by the murderous poltergeist of the Capitol Hill Thug Even the stately mansions of Millionaires Row hide their own secrets a sad Victorian lady begs for help before vanishing in the Sheedy Mansion and an eerie face appears on the fa ade of the Cresswell House Join tour guide and reluctant ghost hunter Kevin Pharris as he takes a chilling journey through The Haunted Heart of Denver Includes photos Camera .1908 Ghosts in Your Photos 2: A Hauntingly Hilarious Sequel Navneet Singh, Chapter 1 The Return of the Phantom Selfies The first book was a spooky revelation but this time around It s a whole new level of supernatural silliness Ghosts have learned to pose for selfies and they re not as serious as they used to be We re talking about those transparent apparitions who in the past would drift solemnly through your photos But in Ghosts in Your Photos 2 they ve taken a page from modern social media It s all about the perfect Instagram shot now I see you got the lighting wrong Tim says the ghost of Aunt Mildred appearing just over your shoulder in the background No no no You have to angle it like this Much better She's also holding a coffee cup In the afterlife they drink way too much coffee The ghost has become the ultimate influencer in this seguel and you didn t even get a selfie with her But don t worry there's plenty more to come Chapter 2 Haunted Filters Your phone has an update and suddenly you

re getting more ghosts than usual The Haunted Filter on your photo app adds a new layer of ghostly effects literally Instead of a haunting face in the background you now get a glowing smiling ghost wearing a party hat It's like they re at a rave Who knew that the spirit world had such good taste in festivals C mon You call that a party Get me my glow sticks says the ghost of your great grandfather doing the moonwalk across your living room photo The ghosts are absolutely loving the trend Some of them even want their own TikTok accounts now Chapter 3 Ghosts Who Can t Take a Hint It turns out some ghosts are just trying to get noticed Remember that one relative who always photobombed your family pictures Now they re doing it from beyond the grave Uncle Jerry who died in 1983 has been showing up uninvited in your photos He's not even spooky anymore he s wearing a Hawaiian shirt and holding up a peace sign Seriously Jerry It s been 40 years you mutter under your breath as his translucent face pops up yet again grinning like he s just finished a punchline to a bad dad joke Chapter 4 The Exorcist WiFi Problem Every once in a while you ll get a ghost in your photo who s clearly confused about the whole thing They can t figure out how to operate your phone and as a result they keep accidentally snapping blurry photos Ugh why are all my selfies like this the ghost of Grandma Marge asks as she stares into the camera perfectly capturing a blurry shot of the living room lamp Of course there are no instructions in the afterlife on how to work a phone and Grandma s just as confused as ever She's still using her old rotary phone in the spirit world so it's no wonder her attempts at smartphone photography fall short Chapter 5 The Possessed Camera You ve got an old camera you found in the attic and suddenly your photos are filled with eerie results It turns out the camera itself is haunted by an ancient photographer who loves to mess with your photos Your smile is distorted in every shot like the ghost of a 1920s photographer who thought he could get creative with angles Am I really this pale you ask noticing your ghostly reflection in the corner of every shot The camera of course remains silent but its flash goes off at the most inconvenient times Chapter 6 The Haunted Photo Album Have you ever opened an old photo album and found that some photos are slightly different In this chapter we dive deep into the mystery of photo albums that seem to change on their own One minute you re flipping through a family vacation album and the next thing you know that picture of you in a swimsuit suddenly includes a ghostly figure wearing a tuxedo Nice try but we all know that ghostly figure is definitely my dad you laugh nervously Dad really You had to wear that tux even in the afterlife But no it s not Dad It s the spirit of someone else who apparently really enjoys formalwear Chapter 7 Ghosts on Zoom Calls In this modern age ghosts have adapted to the digital age No longer content with traditional haunting methods they ve moved to video calls Picture this you re on a Zoom call with coworkers trying to get through a meeting and suddenly the face of a ghost appears on the screen blocking your presentation Excuse me but I m trying to share my screen you shout trying to swat away the ghost as it dramatically poses It's your late Uncle Larry who somehow thinks video conferencing is a great way to check in with the family He s also trying to give you career advice from beyond the grave Spoiler alert it s not good advice Chapter 8 The Conclusion Ghosts Just Wanna Have Fun At the end of the day the ghosts in your photos aren t here to scare you They just

want to have fun Whether it's photobombing getting lost in your filters or interrupting your Zoom calls the afterlife isn't as grim as it used to be So next time you see a ghost in your photo don't panic. They re probably just trying to make you laugh After all isn t that what family is for even if they re dead Bonus Chapter How to Set Boundaries with Ghosts and Other Undead Relatives Let's face it having your deceased relatives constantly show up in your photos can get a little overwhelming In this final chapter well offer some helpful tips on setting boundaries with your spectral family members From setting Do Not Disturb notifications to offering them a seat at the table but not the main one you ll learn to navigate your new reality where ghostly relatives just want a little attention on their own terms The Films of Joseph H.
