The Healing Power Of The Christian Mind:

The Healing Power of the Christian Mind Dr. William Backus, 1998-05-01 Recent studies confirm what patients, chaplains and medical clinicians have testified to for years: dwelling on the truth of God's Word can enhance health. Dr. Backus brings biblical balance to mind/body issues while staying clear of New Age philosophies. Originally titled *The Healing Power of a Healthy Mind*.

The Christian Healing Power Charles Fillmore, 2019-12-18 Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills. However, very few have dared even to suggest that Jesus applied universal law in His restorative methods. Charles Fillmore has found that Jesus' healing methods were based on universal mental and spiritual laws that anyone can utilize. Ultimately, that cognition led him to the conclusion that man and the universe are founded on mind and that all changes for good or ill are changes of mind.

The Healing Power of Christ Charles Fillmore, 2022-11-13 In *The Healing Power of Christ*, Charles Fillmore presents a profound exploration of metaphysical Christianity, intertwining spiritual healing with practical application. Fillmore's literary style melds personal anecdotes with doctrinal insight, illustrating the transformative power of faith and the mind in achieving holistic wellness. The book situates itself within the New Thought movement, emphasizing the belief in the interconnectedness of the divine and human experience, inviting readers to embark on a spiritual journey towards inner clarity and physical health. Charles Fillmore, a co-founder of the Unity Church, was deeply influenced by his personal experiences with illness and healing, which significantly shaped his spiritual outlook. His background in metaphysics and spirituality inspired his mission to empower others through understanding the inherent healing potential within themselves. Fillmore's writings reflect a lifetime of inquiry into the nature of God, manifestation, and the human spirit, making this work a cornerstone of New Thought literature. Readers seeking a manual for spiritual development and wellness will find *The Healing Power of Christ* invaluable. Fillmore's insights not only encourage self-reflection but also provide practical tools for invoking divine assistance in the healing process. This book is

essential for anyone interested in the intersections of faith healing and personal empowerment **Unsettled Minds**
 Christopher G. White, 2009 Christopher White's *Unsettled Minds* makes clear how important new psychologies of religion were for those Protestants navigating their way out of Calvinism and evangelical revivalism. Just as his religious liberals remapped mind and spirit, White has remapped the historical terrain of religion and psychology in American culture. He spotlights not a cultural world absorbed with ecstasy, altered states, or mythic depths, but instead one riveted on measured stages of spiritual growth and effective habits of self-discipline. Leigh Eric Schmidt, Princeton University. An important contribution to the growing literature on the history of religious experience and of the distinctive dynamics of Christian interiority in the modern U.S. Robert Orsi, Northwestern University. Today when brain researchers and psychologists are again attempting to explain religion, this remarkable study suggests that we should not be surprised to see religious believers creatively embracing new scientific findings and making use of them for religious purposes unexpected by scientists. Ann Taves, author of *Fits, Trances, and Visions*. *Index-catalogue of the Library of the Surgeon-General's Office, United States Army Library of the Surgeon-General's Office (U.S.)*, 1888 **The Christian Science Journal**, 1910 **Authors and Subjects**, 1880 *The Healing Power of Combining Hands on Healing with Angelic Energy and Aromatherapy* Antonia Brasted PhD CGC RA, 2022-10-20 they shall lay hands on the sick and they shall recover Mark 16:18 KJV anointed many sick people with oil and healed them Mark 6:13 KJV. Hopefully this book will be a humble reminder to all of those involved in healing work which combines two healing techniques that are as powerful today as they were in the Biblical times. Anointing with essential oil was commonly practiced throughout the Scriptures for many different purposes. The New Testament mentions it specifically in connection with praying for the sick. Today's Aromatherapy is practiced in many different settings and variations, but a common denominator among all aroma therapists is the sense of reverence towards the miracle of nature in the form of essential oils. They know that fragrance can affect the mood, calm, relax, and release emotions. Today's energy work also comes in a variety of methods, but what all of them have in common is the unconditional love and the spiritual meaning of healing. **Index-catalogue of the Library of the Surgeon General's Office, United States**, 1888 **The Midwestern**, 1906 **Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of Medicine (U.S.)**, 1900 Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries, 1927 **The Fortnightly Review**, 1902 The Fortnightly, 1902 **An Encyclopaedia of Religions** Maurice Arthur Canney, 1921 **The Red Church Or the Art of Pennsylvania German Braucherei** C.
