The Heart Of The Christian Faith:

The Heart of the Christian Faith Donald Coggan, 1986-01 **The Triune God of Christian Faith** Mary Ann Fatula, 1990 A Michael Glazier book Includes bibliographical references p 119 123 and index **Way of Love** Norman Wirzba, 2016-03-01 The pioneering scholar and author of *Food and Faith* and *Living the Sabbath* asserts that Christianity has slid off its rightful foundation arguing that the faith only makes sense and can only be expressed in a healthy way if it seen as based on love with a mission of training others in the way of love It s often said that God is love yet his message of compassion and caring for others is often overshadowed by the battles dividing us politically culturally and religiously Why does Christianity matter if it isn t about love asks Duke University professor of Theology and Ecology Norman Wirzba The *Way of Love* invites readers to experience Christianity that is centered on love Extensive theological training cannot replace the way of love that transforms and connects each of us to God and the faith Wirzba contends Interweaving illuminating testimonials historical references and Scripture he reveals how love allows us to move into the fullness of life when we do not love we lose our faith To fail to love he reminds us is to lose God **Why are the Four Gospels the Heart of the Christian Faith?** Raffaello Martinelli, **The Heart of the Christian Faith** Francis Shunk Downs, 1937 **The Anatomy of the Heart** JaNeen Dancy, 2016-04-05 It is with the heart that we believe When we receive Jesus into our hearts we are declared His own and are transformed into His likeness into a new person in Christ The sad reality is that while many Christians truly believe they struggle to find a clear picture of how spiritual transformation is to take place in their life Over and over the Bible points to the heart as the agent of our transformation but the scriptures do not refer to the physical heart beating in our chests But could they What if the physical heart could serve as a compelling model of spiritual development and transformation Drawing from examples in scripture as well as her own challenges with grasping the concept of spiritual transformation in *The Anatomy of The Heart* JaNeen Dancy challenges readers to take a closer look at the physical heart for insightful analysis of the spiritual heart The hearts at the center of our physical life and spiritual life may be more similar than we know and a greater understanding of one may lead to a deeper understanding and ultimate victory in the other

The Prodigal God Timothy Keller, 2011-03 Uses the Parable of the prodigal son to provide an introduction to Christianity

Looking upon the Heart Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be

transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus

God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen, 2015-12-01

Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of

his people Addresses several of today's great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God's glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

The Logic of the Heart

James R. Peters,2009-03-01 Philosopher James R Peters defends the reasonableness of the Christian faith in The Logic of the Heart He paves a middle road between the Enlightenment's worship of reason and postmodernism's emphasis on freedom and self rule He delves into the thought of theologian St Augustine and philosopher mathematician Blaise Pascal and engages the skeptic David Hume who argued against the possibility of miracles Throughout this process Peters provides an alternative to postmodern thought as well as the widespread New Atheism This work is appropriate for undergraduate and graduate students pursuing studies in philosophy of religion and historical theology Since Peters writes in nontechnical language readers interested in the relationship between faith and reason will also benefit from The Logic of the Heart

Journeys

Into the Heart and Heartland of Islam Marvin W. Heyboer,2009 Religion and Art in the Heart of Modern Manhattan Aaron Rosen,2017-07-28 When you're in New York the sculptor Louise Nevelson once said you're in perpetual resurrection She might have said the same thing about St Peter's Lutheran Church set in the heart of midtown Manhattan In the 1970s the church made a radical move scrapping its neo gothic building for a sleek modern structure in the shadow of a skyscraper

The transformation was not just architectural Inside Nevelson created a shimmering chapel while over the years artists and designers such as Willem de Kooning Kiki Smith and Massimo and Lella Vignelli produced works for the sanctuary This fusion of modern art architecture and design was complemented by an innovative jazz ministry including funerals for Billy Strayhorn and John Coltrane and performances by Duke Ellington and other jazz legends For the first time this volume examines the astounding cultural output of this single church Just as importantly the story of St Peter s serves as a springboard for wider reflections on the challenges and possibilities which arise when religion and art intersect in the modern city Working from a wide range of disciplines including art history theology musicology and cultural studies a distinguished group of scholars demonstrate that this church at the center of New York City deserves an equally central place in contemporary scholarship *Wesley on the Christian Life* Fred Sanders,2013-08-31 It is hard to overstate the significance of John Wesley s legacy for the church today As the founder of Methodism Wesley s theology continues to fascinate historians and energize Christians across denominational lines From his revivalist enthusiasm to his teaching on Christian perfection Wesley s writings exude evangelistic zeal and a passion for faithfulness in all areas of life In addition to providing a brief biographical sketch of this leading revivalist Sanders spends equal time exploring Wesley s take on the central truths of the faith and those doctrines that uniquely characterize the Wesleyan approach to spirituality Combining history with theology this helpful introduction to Wesley s life and beliefs stands as an excellent addition to the growing Theologians on the Christian Life series The Rule of Faith William Paterson Paterson,1912 **Faith for the Heart** Groome, Thomas H.,2019 Faith for the Heart makes a special outreach to the spiritual but not religious to the nones and the believers without belonging with rich resources for their faith journey Catholic signals that all are welcome to draw upon its treasury of the Church s spiritual resources regardless of faith identity
