Heart Speak—Poetic Tales & Story Poems Janine Palmer,2017-05-10 Glimpses of her came to him On the wisps of a dream one night He could see so many things about her But her face was hidden from sight Her hair was long and flowing And in the dream it covered her face But her energy he could never forget Because it was filled with light and grace And the feelings of peace and acceptance Which he felt so strongly right there Swirled around him like soothing waves As did the tendrils of her hair He woke to the ribbons of moonlight With a smile upon his lips Because before she left him in his dream She had given him an enchanting kiss Janine Palmer Silver Moon

Theological

Hermeneutics and the Book of Numbers as Christian Scripture Richard S. Briggs,2018-06-25 How should Christian readers of scripture hold appropriate and constructive tensions between exegetical critical hermeneutical and theological concerns This book seeks to develop the current lively discussion of theological hermeneutics by taking an extended test case the book of Numbers and seeing what it means in practice to hold all these concerns together In the process the book attempts to reconceive the genre of commentary by combining focused attention to the details of the text with particular engagement with theological and hermeneutical concerns arising in and through the interpretive work The book focuses on the main narrative elements of Numbers 11 25 although other passages are included Numbers 5 6 33 With its mix of genres and its challenging theological perspectives Numbers offers a range of difficult cases for traditional Christian hermeneutics Briggs

argues that the Christian practice of reading scripture requires engagement with broad theological concerns and brings into his discussion Frei Auerbach Barth Ricoeur Volf and many other biblical scholars The book highlights several key formational theological questions to which Numbers provides illuminating answers What is the significance and nature of trust in God How does holiness mediated in Numbers through the priesthood challenge and redefine our sense of what is right or fair To what extent is it helpful to conceptualize life with God as a journey through a wilderness of whatever sort Finally short of whatever promised land we may be what is the context and role of blessing
