The Heretic A Study Of The Life Of John William Colenso 1814 1883:

The Heretic Jeff Guy, 1983 Undaunted by the antagonism of his contemporaries Colenso then attempted to expose and rectify the injustices inflicted upon the Africans of Natal and Zululand by the British in the late nineteenth century

The Oxford History of Anglicanism Anthony Milton, Jeremy Gregory, Rowan Strong, Jeremy N. Morris, William L. Sachs, 2017 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume three of The Oxford History of Anglicanism explores the nineteenth century when Anglicanism developed into a world wide Christian communion largely but not solely due to the expansion of the British Empire By the end of this period an Anglican Communion had come into existence as a diverse conglomerate of often competing Anglican identities with their often unresolved tensions and contradictions but also with some measure of genuine unity The volume examines the ways the various Anglican identities of the nineteenth century are both metropolitan and colonial constructs and how they influenced the wider societies in which they formed Anglican Churches

The Bible in Africa Gerald West, Musa Dube, 2021-10-01 Although the arrival of the Bible in Africa has often been a tale of terror the Bible has become an African book This volume explores the many ways in which Africans have made the Bible their own The essays in this book offer a glimpse of the rich resources that constitute Africa's engagement with the Bible Among the topics are the historical development of biblical interpretation in Africa the relationship between African biblical scholarship and scholarship in the West African resources for reading the Bible the history and role of vernacular translation in particular African contexts the ambiguity of the Bible in Africa the power of the Bible as text and symbol and the intersections between class race gender and culture in African biblical interpretation The book also contains an extensive bibliography of African biblical scholarship In fact it is one of the most comprehensive collections of African biblical scholarship available in print This publication has also been published in paperback please click [here](#) for details

The Christian Imagination Willie James Jennings, 2010-05-25 Why has Christianity a religion premised upon neighborly love failed in its attempts to heal social divisions In this ambitious and wide ranging work Willie James Jennings delves deep into the late medieval soil in which the modern Christian imagination grew to reveal how Christianity's highly refined process of socialization has inadvertently created and maintained segregated societies A probing study of the

cultural fragmentation social spatial and racial that took root in the Western mind this book shows how Christianity has consistently forged Christian nations rather than encouraging genuine communion between disparate groups and individuals Weaving together the stories of Zurara the royal chronicler of Prince Henry the Jesuit theologian Jose de Acosta the famed Anglican Bishop John William Colenso and the former slave writer Olaudah Equiano Jennings narrates a tale of loss forgetfulness and missed opportunities for the transformation of Christian communities Touching on issues of slavery geography Native American history Jewish Christian relations literacy and translation he brilliantly exposes how the loss of land and the supersessionist ideas behind the Christian missionary movement are both deeply implicated in the invention of race Using his bold creative and courageous critique to imagine a truly cosmopolitan citizenship that transcends geopolitical nationalist ethnic and racial boundaries Jennings charts with great vision new ways of imagining ourselves our communities and the landscapes we inhabit

African Print Cultures Derek Peterson, Steph Newell, Emma Hunter, 2016-09-29 The essays collected in *African Print Cultures* claim African newspapers as subjects of historical and literary study Newspapers were not only vehicles for anticolonial nationalism They were also incubators of literary experimentation and networks by which new solidarities came into being By focusing on the creative work that African editors and contributors did this volume brings an infrastructure of African public culture into view The first of four thematic sections *African Newspaper Networks* considers the work that newspaper editors did to relate events within their locality to happenings in far off places This work of correlation and juxtaposition made it possible for distant people to see themselves as fellow travellers *Experiments with Genre* explores how newspapers nurtured the development of new literary genres such as poetry realist fiction photoplays and travel writing in African languages and in English *Newspapers and Their Publics* looks at the ways in which African newspapers fostered the creation of new kinds of communities and served as networks for public interaction political and otherwise The final section *Afterlives* is about the longue dur e of history that newspapers helped to structure and how throughout the twentieth century print allowed contributors to view their writing as material meant for posterity

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for

ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader *Dictionary of African Biography* Emmanuel Kwaku

Akyeampong, Professor Henry Louis Gates, Jr., 2012-02-02 From the Pharaohs to Fanon *Dictionary of African Biography* provides a comprehensive overview of the lives of the men and women who shaped Africa's history Unprecedented in scale DAB covers the whole continent from Tunisia to South Africa from Sierra Leone to Somalia It also encompasses the full scope of history from Queen Hatsheput of Egypt 1490 1468 BC and Hannibal the military commander and strategist of Carthage 243 183 BC to Kwame Nkrumah of Ghana 1909 1972 Miriam Makeba and Nelson Mandela of South Africa 1918

Invoking Empire Darren Reid, 2025-08-19 *Invoking Empire* examines the histories of Canada South Africa Australia and New Zealand during the transitional decades between 1860 1900 when each gained some degree of self government yet still remained within the sovereignty of the British Empire It applies the conceptual framework of imperial citizenship to nine case studies of settlers and Indigenous peoples who lived through these decades to make two main arguments It argues that colonial subjects adapted imperial citizenship to both support and challenge settler sovereignty revealing the continuing importance of imperial authority in self governing settler spaces It also posits that imperial citizenship was rendered inoperable by a combination of factors in both Britain and the colonies highlighting the contingency of settler colonialism on imperial governmental structures and challenging teleological assumptions that the rise of settler nation states was an inevitable result of settler self government *Faith and Narrative* Keith E. Yandell, 2001-08-09 From epic to limerick novel

to anecdote literary narratives engage and entertain us From autobiography and biography to accounts of familial generations narratives define communities Myths and histories loom large in religious traditions as well Recently the importance of narrative to ethics and religion has become a pervasive theme in several scholarly disciplines In the essays presented here a distinguished roster of scholars addresses a range of issues associated with this theme focusing especially on questions concerning narrative's contribution to knowledge **Cultures of Memory in the Nineteenth Century**

Katherine Haldane Grenier, Amanda R. Mushal, 2020-06-08 This collection provides a long overdue examination of the nineteenth century as a crucible of new commemorative practices Distinctive memory cultures emerged during this period which would fundamentally reshape public and private practices of remembrance in the modern world The essays in this volume bring together scholars of History Literature Art History and Musicology to explore uses of memory in nineteenth century empire building and constructions of national identity cultures of sentiment and mourning practices and discourses of race and power Contributors approach the topic through case studies of Europe the United States and the British Empire Their analyses of nineteenth century innovations in commemoration at both the personal and the larger civic and political levels will appeal to students and scholars of memory and of the nineteenth century world **Honest To Goodness** Martin Prozesky, 2019-03-12 *Honest to Goodness* proposes a new Christian presence that is free of dogmatism exclusivism and

biblicism It charts a way back to the spiritual and ethical revolution begun by Jesus of Nazareth one that can make a vital difference to needless evils such as bigotry environmental destruction poverty and violence The book reveals the author's experience of living under against and after apartheid insisting that a faith that does not confront this world's evils is no faith at all but a dangerous betrayal of all that is good beautiful and true Honest to Goodness unflinchingly identifies the grave moral shortcomings that are embedded in traditional Christian beliefs and practices and proposes ways of transforming them into harmony with the divine goodness that the author discerns everywhere Embracing a world of religious diversity science and creative philosophy the book describes a new way of experiencing and expressing the divine It defends faith by moving beyond both theism and atheism *Last Outpost on the Zulu Frontiers* Graham Dominy, 2016-04-15 Small and isolated in the Colony of Natal Fort Napier was long treated like a temporary outpost of the expanding British Empire Yet British troops manned this South African garrison for over seventy years Tasked with protecting colonists the fort became even more significant as an influence on and reference point for settler society Graham Dominy's *Last Outpost on the Zulu Frontier* reveals the unexamined but pivotal role of Fort Napier in the peacetime public dramas of the colony Its triumphalist colonial themed pageantry belied colonists's worries about their own vulnerability As Dominy shows the cultural political and economic methods used by the garrison compensated for this perceived weakness Settler elites married their daughters to soldiers to create and preserve an English speaking oligarchy At the same time garrison troops formed the backbone of a consumer market that allowed colonists to form banking and property interests that consolidated their control **Visions for Racial Equality** Harri Englund, 2022-02-17 A rich and innovative look at the rise and demise of a unique vision for racial equality in nineteenth century Africa **The Nightwatchman** Hlonipha Mokoena, 2025-08 *The Nightwatchman* Essays on Portraiture and the Black Male Figure in Colonial South Africa brings into focus the African policeman as a subject of portraiture While colonial governments co-opted and conscripted Africans into military and policing services it was after the Zulu defeat of the English in the battle of Isandlwana that a genre of photography developed around images of the Zulu warrior and Zulu policeman In this illustrated book Hlonipha Mokoena extends the literature on colonial ethnographic photography by creating a narrative of nightwatchman portraiture from the rich archive of images Although the origins of this genre lay in the representation of Fingoes amaMfengu during the frontier wars she argues that an ethnological spectacle of the Zulu male body was inaugurated after the last Zulu king Cetshwayo was photographed as a posing subject While much research has focussed on the African man employed in emasculating labour or as a functionary of settler power this book shifts debates about how the body moves in history Placed in uniform the male subject becomes aestheticised and admired Mokoena focuses less on the idiosyncrasies of the uniform than on the sartorial selection processes and co-optation of colonial aesthetic culture that constructed the idea of the Nonqgqayi or nightwatchman as a fully formed photographic presence The beauty captured in these images upends conceptions of colonial photography as a tool of oppression In its focus

on the figure of the black and brown fighting man The Nightwatchman offers an innovative work on the history of portraiture and dress in colonial South Africa Incorporating insights from African history art history anthropology and critical theory it offers new insights about the use of men of colour in colonial warfare and new avenues for the interpretation of visual representations of the black male figure
