

THE
BOOK OF MORMON:

AN ACCOUNT WRITTEN BY THE HAND OF MORMON
UPON PLATES TAKEN FROM THE
PLATES OF NEPHI.

Wherefore it is an abridgment of the record of the people of Nephi, and also of the Lamanites; written to the Lamanites, who are a remnant of the house of Israel; and also to Jew and Gentile: written by way of commandment, and also by the spirit of prophecy and of revelation. Written, and sealed up, and hid up unto the Lord, that they might not be destroyed; to come forth by the gift and power of God unto the interpretation thereof: sealed by the hand of Moroni, and hid up unto the Lord, to come forth in due time by the way of Gentile; the interpretation thereof by the gift of God:

An abridgment taken from the book of Ether: also, which is a record of the people of Jared; who were scattered at the time the Lord confounded the language of the people when they were building a tower to get to heaven; which is to shew unto the remnant of the house of Israel what great things the Lord hath done for their fathers; and that they may know the covenants of the Lord, that they are not cast off for ever: and also to the convincing of the Jew and Gentile that Jesus is the CHRIST, the ETERNAL God, manifesting himself unto all nations. And now if there are faults, they are the mistakes of men; wherefore condemn not the things of God, that ye may be found spotless at the judgment-seat of CHRIST.
