Strauss, 2025-09-15 Situated at the pivotal intersection of the departure of Jesus Christ and the arrival of the Holy Spirit Acts and Paul's Letters The Gospel to the Ends of the Earth tells the story of the birth of the Christian church and the remarkable spread of the gospel Readers will learn how to interpret Paul's thirteen letters within the context of the historical telling of the early Christian movement in the Book of Acts and will gain a deeper appreciation and understanding of one of the most important epochs in human history The Departure of an Apostle Alexander N. Kirk, 2015-11-05 What was Paul's attitude toward his own death How did he act and what did he say and write in view of it What hopes did he hold for himself beyond death Alexander N Kirk explores these questions through a close reading of four Pauline letters that look ahead to Paul's death and other relevant texts in the first two generations after Paul's death AD 70-160 The author studies portraits of the departed Paul in Acts 1 Clement the letters of Ignatius Polycarp's letter To the Philippians and the Martyrdom of Paul He also examines portraits of the departing Paul in 1 and 2 Corinthians Philippians and 2 Timothy arguing that Paul's death did not primarily present an existential challenge but a pastoral one Although touching upon several areas of recent scholarly interest Alexander N Kirk sets forth a new research question and fresh interpretations of early Christian and Pauline texts **The International Revision**

The Mystery of the Church Fabrice S. Katembo,2020-11-30 The Pauline epistles are filled with beautiful and provocative metaphors for the church it is a bride a body a flock a temple Each of these metaphors emphasizes the central unity and indivisibility of the people of God Yet how do Christians live out this unity in the face of ethnic conflict tribalism and political divisions In this powerful application of Paul s teaching Fabrice S Katembo explores the mystery of the church in an African context arguing that the greatest challenge facing God s people is not external threat but internal discord Katembo draws his reader s attention back to the unifying work of Christ who died to abolish all walls of separation and in whom we are one no matter the tongue tribe or nation Providing an overview of Paul s life and ministry and engaging the work of renown theologians such as John Mbiti and Kwame Bediako this is an excellent resource for anyone facing intercultural tensions within the church It is also a vital reminder that far from harmless divisions between believers threaten to cripple the body of Christ by distorting its witness injuring its members and separating what Christ died to unify **THE**

APOSTOLIC FATHERS J. B. Lightfoot,Edward D. Andrews,2016-08-06 *The Trial of the Gospel* Alexandru Neagoe,2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke s writings as an apologetic work by focusing on those parts of Luke s story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke s apologia pro evangelio a purpose which is in keeping with the author s declared aim to give his readers assurance about the matters in which they had been instructed Luke 1 4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel s confirmation *African Women's Liberating Philosophies, Theologies, and Ethics* Beatrice

renderings intersect with various social categories including gender race class sexuality capitalism and colonialism What liberating frameworks do they propose The volume further explores the dialogue between distinct African contexts and universal experiences and values It explores how universal themes such as humanity human dignity rights justice motherhood and more can coexist with communal African concepts and themes It contemplates how embracing African approaches engages these themes more globally bringing together particular African contexts of women and the universal ethical philosophical and theological theories models and frameworks to advance the cause of justice and liberation for African women and women worldwide into the future
