**The Olivet Discourse - The Mystery Revealed** Thomas C. Nixon, 2003-06-10 This book came from experiences I have gone through in my Christian walk I became a Christian in 1993 and soon enough I came to know that if I were to enjoy my Christian life I had to renew my mind with the Word of God I also came to realize that the environment that I grew up in and the developed mind set over the years were directing how I related to God and His Word To a larger extent this was always in conflict with the Word of God I would get frustrated when my prayers were not answered how and when I wanted them to I would begin to ask myself questions such as Is God punishing me for something Did God really hear my prayers How did so and so receive what I have been asking for months But as I continued to study and mature in the Word of God things became clearer Sometimes a believer will struggle with questions but fear to ask them fearing being judged or presuming they are of little or no faith Throughout my ministry I have dedicated myself to encouraging people to overcome their fears in order to reach their God given potential I believe that all of us are capable of living a full life but misinterpretation of what is a full life creates frustration This book is a compass to the person who is trying to figure out where their Christian life is and where it is heading I present truths in this book in a simple and understandable language without diluting the intended message I am currently the founding Pastor at God Our Rock International Church in Toronto Ontario Canada

*Unlocking the Puzzle* David Oliver Smith, 2016-11-22 A shorter simpler first draft of the Gospel of Mark has been theorized by New Testament scholars for almost two hundred years Using literary tools David Oliver Smith strips away interpolation and redaction from the canonical Gospel to reveal that long sought first draft the Original Gospel of Mark Original Mark shorter than the canonical version and with several large blocks of text replaced in their original locations reveals a coherent structure and a different picture of who Jesus is But it is anything other than simple The Original Gospel also presents puzzles for the curious reader of Mark to solve and Smith has found the keys to their solution Analysis of the text that was interpolated into Mark reveals who that redactor might have been Evidence is presented that it was the author of the Gospel of Luke who redacted the first written Gospel jumbled its structure and changed its Christology Follow the analysis of literary structures created by the genius who wrote Mark's Gospel and discover the astounding design of the Original Gospel of Mark
