The 100000 Rat:

The Rat James Rodwell,1858 **The Rat: Its History and Destructive Character. With Numerous Anecdotes. (Uncle James.-Hints on the Management of Poultry.).** James RODWELL,1858 **The Rat People** Patrick Saint-Paul,2020-06-23 In a relatively short amount of time China has become the second largest economy in the world and is soon poised to overtake the US In 1978 when China introduced its economic reforms its GDP was 214 billion in 2019 it is estimated to increase to 14 trillion But the country s rapid growth was achieved on the backs and shoulders of its workforce many of whom were peasant farmers turned into the mingong urban migrant workers celebrated by Mao and credited with helping China achieve its economic miracle Now a million of them and their descendants live underground in Beijing under inhuman conditions where there is no light or water and little sanitation Author Patrick Saint Paul spent two years living among the rat people shizu of Beijing in a network of deep tunnels and 20 000 former bomb shelters built during the Cold War The mingong come to Beijing from all parts of the country in search of jobs and a better life but they are unable to afford their own homes on their meager salaries For them China s dream of prosperity for all is a bitter fallacy In **The Rat People** Saint Paul brings the individual stories of the shizu to life creating a shocking cautionary tale about the lengths to which people will go in search of a better life and the human cost paid in service to the modern economy **The Effects from Massive Doses of High Dose Rate Gamma Radiation on Monkeys** John E. Pickering,1960 The biological effects from massive doses of high dose rate radiation on primates has resulted in increasing scientific interest and concern This is particularly true now in light of the release of Project Argus data and the untimely accident at Los Alamos in December 1958
