## **The Abiding Presence:**

**The Believer's Secret of the Abiding Presence** Andrew Murray, Brother Lawrence, 1987-01-01 Andrew Murray's devotional warmth and Brother Lawrence's practical mysticism are combined in one challenging volume. Editor L G Parkhurst has taken Murray's classic *The Secret of the Abiding Presence* and added the insights of Brother Lawrence's bestseller *The Practice of the Presence of God*, updating them for today's reader. Murray's and Lawrence's burden was to give the believer a tool to expand his prayer life beyond the limits of merely verbalizing needs to actually practicing the presence of Christ on a moment by moment basis. The thirty-one devotionals are comprised of chapters from Murray's original book summarized and given practical application by the writings of Brother Lawrence. Each devotional begins with comments on a specific topic by Murray, then Lawrence's commentary on the subject concludes the devotional. A unique devotional handbook that deserves a wide audience in this newly edited format.

**The Abiding Presence** Mark Scarlata, 2018 With an emphasis on the nature and importance of divine presence, *The Abiding Presence* provides a unique perspective on the overarching theology of Exodus, drawing particular attention to God's revelation at the burning bush, Sinai, and the tabernacle. Exploring the rich theological themes that emerge from the final form of the narrative, the commentary also reflects on how these themes were employed by New Testament authors in understanding the life and ministry of Christ. Bridging the gap between accessibility and scholarly rigour, this commentary offers an excellent tool for ordinands, students, teachers in higher education, and preachers to engage with the theology of the book in its Old Testament context, as well as how its message is revealed in the New Testament and continues to speak today.
