The Abundant Gospel:

The Abundant Gospel Anton Darms,1941 **The Abundant Life** Ray E. Baughman,2009-06-01 Designed to involve the individual in systematic Bible study these twelve well organized lessons trace the Christian life from conversion to maturity The illustrative drawings helpful review questions and suggested Bible memory verses are valuable for personal research and for group discussions The Abundant Life analyzes the basics of the Christian experience one at a time picturing them as physical actions For example it compares Bible study to eating prayer to talking forgiveness to washing These simple analogies make the material easy to understand An effective tool for evangelism or individual study The Abundant Life points out the how to of obtaining and enjoying a meaningful relationship with God **Gospelsick** Ryan Porter,2024-04-23 From the vantage point of living on another continent and being able to look at US Christianity more objectively Ryan Porter identifies the Gospel deficiency in current Western Christianity we are Gospelsick Using his lens of medicine he both diagnoses the church s illness and provides the treatments needed to recover from the deficiency Gospel Deficiency n the inhibition or minimization of the gospel of Jesus Christ in the lives of His followers those in the church characterized by increased fear and obsession with worldly interest and leading to a decrease in the benefits of the world changing gospel in us and in our proclamation of it to others Gospelsick A Missionary Doctor s Prescription for Church Revival offers a powerful prescription for revitalizing the Church in today s world Drawing from his experiences as a medical doctor working overseas in Africa Ryan Porter provides a fresh perspective on the state of the Church and offers practical strategies for igniting a revival of faith and passion Gospelsick is more than just a critique it is a prescription for revival Dr Porter outlines practical steps that churches and individuals can take to foster spiritual renewal and revitalization Honing in on issues such as discipleship faith mission evangelism and community he provides a roadmap for reclaiming the vibrant transformative power of the Gospel **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1993 *The International Cyclopaedia* ,1892 **Library of Universal Knowledge** ,1881 *The Ghost in the Gospels* Leon Zitzer,2006-09-26 Judas and Jewish leaders Continually tried and condemned for Jesus death This book exonerates them and ends the longest running witch trial in history The search for the true circumstances of Jesus death is an intellectual detective story The clues are all in words in the texts of the well known Gospels and they re in the prejudices that blinded us to the obvious answer This is not a tale about intrigue in the antiquities market Nor is it about looking for secret documents buried in a cave This is rather a tale about scholarly self deception in reading the Gospels Jewish history and themselves If the historical Jewish Jesus has been buried at all it is beneath our prejudices and fears Uncover these and he stands before you hidden in plain sight That may not be the usual sort of detective story but it is as genuine a mystery as ever there was It s worth solving If you re dying to know the complete solution it s all there in a nutshell in Chapter 5 If you feel a need to wade into this more slowly start with Chapter 1 I ll meet up with you again at the end of the book *The*

Johannine Corpus in the Early Church Charles E. Hill, 2004-03-19 How were the Johannine books of the New Testament received by second century Christians and accorded scriptural status Charles E Hill offers a fresh and detailed examination of this question He dismantles the long held theory that the Fourth Gospel was generally avoided or resisted by orthodox Christians while being treasured by various dissenting groups throughout most of the second century Integrating a wide range of literary and non literary sources this book demonstrates the failure of several old stereotypes about the Johannine literature It also collects the full evidence for the second century Church s conception of these writings as a group the Johannine books cannot be isolated from each other but must be recognized as a corpus **Cumulative List of**
