**The Abyss** Élie Aron Cohen, 1973      **The Romantic Art of Confession** Susan M. Levin, 1998 The Romantic Art of Confession is about works specifically entitled confessions written during the Romantic period in Britain and France Reading these similarly conceived texts together illuminates uniquely the Romantic art of confession as it illuminates the written craft of self recollection and definition      **The Works of Saint Augustine: v. 1. The confessions** Saint Augustine (of Hippo), 1990

*Confession* Peter Tyler, 2017-10-19 A new pastoral contribution on the enduring subject of confession in Christian life Confession The Healing of the Soul is not just about what is termed sacramental confession Its frame of reference is much wider and includes discussion of those celebrated writers who wrote confessions Augustine Kierkegaard Tolstoy Foucault Freud Jung John of the Cross and Wittgenstein This book will be of interest to all Christians of any denomination who engage in sacramental confession clergy but also pastoral workers and those millions who actually attend confession as part of their lives In the post Freudian age confession of any kind has had a bad press but is now coming back into popularity as guilt and sin become helpful concepts Peter Tyler an author and practicing psychotherapist argues that rather than being something to consign to the rubbish heap of history confession offers unexplored potential for the healing of the postmodern soul The book addresses all those engaged in psychotherapeutic and healing practices and ministries

**Involuntary Confessions** Francis Wharton, 1860      *The Confessions of St. Augustine* Saint Augustine of Hippo, 2023-12-25 In *The Confessions of St Augustine* the revered theologian and philosopher crafts a profound narrative of his spiritual journey blending autobiography with philosophical reflection and theological treatise Written in the late 4th century this seminal work employs a confessional style that emphasizes the introspection of Augustine s inner turmoil and eventual conversion to Christianity Stylistically rich and deeply personal the text captures the complexities of human sin grace and the search for divine truth positioning Augustine as a critical figure in both Christian thought and Western literature His innovations in narrative form set a precedent for future genres of personal reflection and introspection Saint Augustine of Hippo one of Christianity s most influential thinkers lived a life marked by both fervent philosophical inquiry and profound moral struggles Born in North Africa in 354 AD Augustine experienced a tumultuous youth characterized by hedonism and skepticism before embracing Christianity His formative experiences particularly his interactions with the Manichaean sect and his friendships with intellectuals culminated in a quest for truth that is vividly chronicled in his *Confessions* allowing readers to witness the transformation of his faith *The Confessions of St Augustine* is essential reading for anyone seeking to understand the interplay between personal experience and spiritual enlightenment Its exploration of the human condition resonates across the centuries offering insights that are as relevant today as they were during Augustine s lifetime Readers will find in Augustine s struggles a mirror reflecting their own quests for meaning making this work a timeless companion on the path of spiritual growth      *The Confessions* Saint Augustine, 2021-01-13 *Confessions*

Latin *Confessiones* is an autobiographical work by Saint Augustine of Hippo consisting of 13 books written in Latin between AD 397 and 400. The work outlines Saint Augustine's sinful youth and his conversion to Christianity. Modern English translations of it are sometimes published under the title *The Confessions of Saint Augustine* in order to distinguish the book from other books with similar titles. Its original title was *Confessions in Thirteen Books* and it was composed to be read out loud with each book being a complete unit. *Confessions* is generally considered one of Augustine's most important texts. It is widely seen as the first Western Christian autobiography ever written. Ovid had invented the genre at the start of the first century AD with his *Tristia* and was an influential model for Christian writers throughout the Middle Ages. Professor Henry Chadwick wrote that *Confessions* will always rank among the great masterpieces of western literature.

[The Power of Confession](#)

Gery Malanda, Confession is a word we have heard often but not truly had a biblical understanding of it. Confession has been associated with religion where we confess our sin or has been likened to a declaration. Brother Gery Malanda, Apostle and Leader of House Of Prayer For All Nations Europe and Teacher on TBN's Voice of Healing UK gives a biblical teaching on what is confession. He explores what the bible teaches on confession of sin and the power of the blood of Jesus in cleaning ALL sins. Brother Gery highlights the power of exposing the works of darkness by confessing our secret sin using biblical examples as well as sharing from his own personal experiences. Through the word of God he demystifies what God meant in forgiving of sin. In this book he presents the sacrifice of Jesus Christ on the cross as a salvation package that provides for our salvation, healing, deliverance and prosperity. Finally, Brother Gery explores the importance of confessing the word of God in one's life, highlighting its advantages. The three components that are involved in a true confession and the power of the tongue in framing the world around you. Through this succinct teaching, Brother Gery demonstrates the importance of thinking as God thinks, saying only what God is saying and doing only what is doing according to His word in transforming yourself and the world around you.

*Confessions: A New Translation* Augustine, 2018-01-23. This long-awaited translation of *Confessions*, which Stephen Greenblatt describes as central to the legacy of Adam and Eve, enlivens the beguiling world of late antiquity. No modern well-versed literature lover can call her education complete without having read Augustine's *Confessions*. One of the most original works of world literature, it is the first autobiography ever written, influencing writers from Montaigne to Rousseau, Virginia Woolf to Gertrude Stein, and most recently informing Stephen Greenblatt's provocative thesis about one of our foundational mythologies in *The Rise and Fall of Adam and Eve*. It is here that we learn how one of the greatest saints in Christendom overcame a wild and reckless past, complete with a rambunctious posse of friends, an overly doting mother, and an affair that produced a bastard child. Yet English translators have long emphasized the ecclesiastical virtues of Augustine's masterpiece, often at the expense of its passion and literary vigor. Restoring the lyricism of Augustine's original language, Peter Constantine offers a masterful and elegant rendering of *Confessions* in what will be a classic for decades to come.
