The Textual Basis of English Translations of the Hebrew Bible S. C. Daley,2019-02-04 Foreword by A Schenker S C Daley s book The Textual Basis of English Translations of the Hebrew Bible moves us beyond existing uncertainties about the textual basis of modern Bible translations to a fresh understanding of the text critical constitution of well known English translations of the past four hundred years Most translations depart from the Masoretic Text selectively and in depth analysis of their textual decisions leads 1 to the identification of distinct periods in the textual history of the English Bible 2 to a classification of the translations by eclectic type and 3 to the observation that each translation is ultimately unique from a text critical perspective The study then revisits the topic of the text to be translated in Bibles intended for the wider public

The Cambridge Companion to the Hebrew Bible/Old Testament Stephen B. Chapman,Marvin A. Sweeney,2016-07-12 This volume features an impressive array of leading biblical scholars and presents an illuminating and lively cross section of this traditional field of study Treating core topics and changing methodologies within twenty three comprehensive chapters this Companion provides an outstanding introduction to the historical origins and literary character of the canonical literature
