Watts,2007-05-02 Knowledge of plant

names can give insight into largely forgotten beliefs For example the common red poppy is known as Blind Man due to an old superstitious belief that if the poppy were put to the eyes it would cause blindness Many plant names derived from superstition folk lore or primal beliefs Other names are purely descriptive and can serve to explain the meaning of the botanical name For example Beauty Berry is the name given to the American shrub that belongs to the genus Callicarpa Callicarpa is Greek for beautiful fruit Still other names come from literary sources providing rich detail of the transmission of words through the ages Conceived as part of the author s wider interest in plant and tree lore and ethnobotanical studies this fully revised edition of Elsevier s Dictionary of Plant Names and Their Origins contains over 30 000 vernacular and literary English names of plants Wild and cultivated plants alike are identified by the botanical name Further detail provides a brief account of the meaning of the name and detailed commentary on common usage Includes color images Inclusive of all Latin terms with vernacular derivatives The most comprehensive guide for plant scientists linguists botanists and historians

The Traveler's Guide to American Gardens Mary Helen Ray,Robert P. Nicholls,2017-10-01 This new edition includes more than one thousand concise entries organized by state and city listing specific details on the location hours and history of each garden For each state gardens are located on a map The focus is on historic gardens in existence for over seventy five years Some are outstanding examples of their era many are associated with a distinguished person or historical event others are noteworthy for pioneering designs or innovative plant material Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value [Gardens Across America, East of the Mississippi](#) John H. Russell,Thomas S. Spencer,2005-07-28 Gardening is one of America s most popular hobbies and attendance at public gardens and arboreta continues to rise Gardens Across America is a comprehensive two volume guide to nearly 2 000 gardens Each entry in this state by state guide contains such basic information as hours of operation and directions as well as a listing of activities educational programs and any unique botanical features Gardens are also indexed by type Japanese children s etc and by designer another index lists plant species and where they can be found Twenty four pages of color plates round out this portable directory of America s public gardens [The State Botanical Garden of Georgia](#) Carol Nourse,Hugh O. Nourse,2001 These 145 spectacular color photographs celebrate nature s cycles in a splendid and diverse southern garden Each month for more than six years Carol and Hugh Nourse have explored the paths and collections of the State Botanical Garden of Georgia in Athens capturing the kaleidoscope of its seasons In this large format beautifully produced volume we move by season and scale from detailed close ups to atmospheric vistas From the subdued blues of a snow covered garden to the dazzling golden light on scarlet leaves in autumn the Nourses keen and affectionate eyes have captured not only the living forms but the essence of a garden in all its changing moods A general

introduction traces the history and development of this public garden and brief sectional essays describe the special features of the Garden in each season The sequence begins aptly with the glorious explosion of spring and meanders joyfully through the waxing and waning of the seasons to the stark forms of winter An Under Glass section showcases tropical and sub tropical jewels in the three story conservatory In the foreword Garden director Jeff Lewis points out that the Nourses photographs enable us to notice details we might otherwise miss symmetry texture form color Dedicated volunteers with the Garden s Plant Conservation Program the Nourses champion conservation in a uniquely powerful way by simply letting the beauty of nature speak for itself As they turn our eyes to the intricate fragile beauty of tiny wildflowers and lacy ruffles of peeling bark we begin to see this and all gardens with new wonder *Vegetarian Times* ,1996-09 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both **Rhs Garden Finder 2006-2007** Charles Quest-Ritson,2006-04 Garden lovers will have to own this leading fully updated guide Produced by the Royal Horticultural Society it reveals where to see plants growing in more than 1 000 British gardens including 150 nurseries and demonstration gardens that are open to the public Each entry which is listed alphabetically by country or region includes a description with highlights and key features full contact details including opening times admission fees and coded facilities and brief directions In addition there are comprehensive regional maps at the back and an alphabetical listing to help visitors choose the gardens with the very finest displays **Gardens Across America, West of the Mississippi** John J.
