The Old Ball Game:

There Goes The Old Ball Game Dick Poston, 1974 *At the Old Ballgame* Jeff Silverman, 2014-02-18 Before multimillion dollar salaries luxury boxes and player strikes became synonymous with professional sports there existed the belief in playing simply for the love of the game Nothing captures that spirit better than these twenty classic pieces about America's favorite pastime Collected here are the writings of Ring Lardner Zane Grey the Giants immortal Christy Mathewson Grover Cleveland Alexander Finley Peter Dunne who for a time was America's most popular humorist after Mark Twain Burt Standish creator of that all American hero Frank Merriwell and many more Baseball's golden era may have long since passed but in the pages of CLASSIC BASEBALL STORIES you can still sit in the bleachers for a nickel Relive the golden era of baseball with timeless classics from Albert G Spalding Henry Chadwick Ernest Lawrence Thayer Grantland Rice Sol White Brig Gen Fredrick Funston Zane Grey Candy Cummings Alfred H Spink Burt L Standish Lester Chadwick Finley Peter Dunne Christy Mathewson Damon Runyon Grover Cleveland Alexander Gerald Beaumont Ring Lardner Hugh Fullerton Ralph D Blanpied Charles E Van Loan P G Wodehouse *The Farmers' Game* David Vaught, 2012-10-17 A journey through the national pastime's roots in America's small towns and wide open spaces An absorbing read The Tampa Tribune In the film Field of Dreams the lead character gives his struggling farming community a magical place where the smell of roasted peanuts gently wafts over the crowded grandstand on a warm summer evening just as the star pitcher takes the mound In The Farmers Game David Vaught examines the history and character of baseball through a series of essay vignettes presenting the sport as essentially rural reflecting the nature of farm and small town life Vaught does not deny or devalue the lively stickball games played in the streets of Brooklyn but he sees the history of the game and the rural United States as related and mutually revealing His subjects include nineteenth century Cooperstown the playing fields of Texas and Minnesota the rural communities of California the great farmer pitcher Bob Feller and the notorious Gaylord Perry Although contrary to legend Abner Doubleday did not invent baseball in a cow pasture in upstate New York many fans enjoy the game for its nostalgic qualities Vaught's deeply researched exploration of baseball's rural roots helps explain its enduring popularity **The Dickson Baseball Dictionary (Third Edition)** Paul Dickson, 2011-06-13 The definitive work on the language of baseball one of the Five Best Baseball Books Wall Street Journal Hailed as a staggering piece of scholarship Wall Street Journal and an indispensable guide to the language of baseball San Diego Union Tribune The Dickson Baseball Dictionary has become an invaluable resource for those who love the game Drawing on dozens of nineteenth and early twentieth century periodicals as well as contemporary sources Dickson's brilliant illuminating definitions trace the earliest appearances of terms both well known and obscure This edition includes more than 10 000 terms with 18 000 individual entries and more than 250 photos This impressively comprehensive The Nation book will delight everyone from the youngest fan to the hard core aficionado *Take Me Out to the Ballgame* Jack Norworth, 2009-02-28 In this rendering of the beloved song Take Me Out to the

Ballgame Jim Burke captures an exciting era of America's favorite pastime as well as the incredible story of one controversial contest that went down in the history books. In 1908 the year the anthem was written one of the all-time most memorable match-ups in baseball history occurred when the New York Giants faced the reigning World Series champion Chicago Cubs with their greatest weapon Christy Mathewson the greatest pitcher in Giants history and America's first true sports superstar. Filled with fan-pleasing trivia and nostalgic paintings here is a remarkable orchestration that brings the sights sounds and smells of the ballpark a century ago vividly to life. The Old Ball Game Mark Alvarez, 1992 **Take Me Out to the Ball Game** Maryann Kovalski, 1994 The lyrics of the familiar song with illustrations showing two baseball mad girls enjoying a ball game with their grandmother. Baseball's Greatest Comeback J. Brian Ross, 2014-08-07 In 1914 the Boston Braves experienced the greatest come-from-behind season in baseball history. A perennially woeful team the Braves rose from the ashes of last place fifteen games behind on July 4th to battle in the World Series against the Philadelphia Athletics one of the most dominant teams of all time. Baseball fans witnessed one of sports most spectacular comebacks and Boston's National League team earned a new designation The Miracle Braves Baseball's Greatest Comeback The Miracle Braves of 1914 follows the Boston Braves through this rollercoaster year from their miserable start to their inspiring finish. A collection of likeable determined and highly unconventional ballplayers the Braves endeared themselves to fans who rooted enthusiastically for the team. Sitting in last place midway through the season the youthful group of castoffs and misfits many of whom had been rejected by other major league teams followed the lead of Walter Rabbit Maraville Johnny The Crab Evers and George Big Daddy Stallings to turn things around. The Braves battled their way up the standings finishing the second half of the season with a miraculous 52 and 14 record. They went on to defeat John McGraw's powerful New York Giants for the pennant and found themselves face-to-face with the talented Philadelphia Athletics in the World Series. On the 100th anniversary of this memorable season the 1914 Boston Braves are still remembered as one of the greatest comeback teams in baseball history. Full of timeless images and memorable characters including a fanatically superstitious manager a cheerfully madcap star and an obsessively driven yet highly sensitive captain this book will inform and entertain baseball fans and sports historians alike. **Dixon Avenue** Tom Peeler, 2003-07-09 In 1975 I started writing freelance articles for D Magazine in Dallas mostly about Dallas history. I probably wrote a hundred or more on that one subject. This book is also about local history but it's a little different it's from the heart of the main character. It's about a simple life in simple times but when I was living it it sure seemed complicated. Baseball and American Culture John P.
