Meeting in Defence of the Athanasian Creed, 1873 **The Only Way out Is In** Terri Lyn Morehu, 2019-06-07

This remarkable book speaks deeply to your soul and reminds you of how interconnected we all are. It calls to us to waken from our unconscious ways. We as a collective have become disconnected from our sacred values, principals and laws that we are all governed by. Humanity cannot keep operating with the same beliefs and behaviors if we want to live spiritually abundant lives and have a healthy planet. It's time for a change. *The Only Way Out Is In* weaves a vision for not only our personal lives but also our collective lives. It reveals how we are evolving and illuminates how we are undergoing an internal shift with planetary consequences. The environmental impact of our choices is having devastating effects. The polarized way we live is endangering us all through a massive imbalance that we have created. We are responsible for how we conduct ourselves and how we contribute while we are here. We have a unique window to come together as a planetary community for individual and global awakening. Author Terri Lyn Morehu brings attention to the plight of the planet and takes us on a journey into the human potential. With deep compassion, she lights a torch guiding the reader through sacred truths to understand not only our emotional terrain but also our spiritual wisdom. She speaks to the soul, stirring the knowledge that we are extraordinary beings and that we live in one of the most transformative periods in history. She reminds us why we were born and what we came here to do. *The Only Way Out Is In* has the ability to release you from suffering and guide you through to experience the inner shift that your soul has long been searching for.
