Sam Stuart

The Opinion Makers The Washington Press Corps:

FDR and the News Media Betty Houchin Winfield,1994 Power was at the heart of FDR s relationship with the media the power of the nation s chief executive to control his public messages versus the power of the free press to act as an independent watchdog over the president and the government This compelling study points to Roosevelt s consummate news management as a key to his political artistry and leadership legacy

Journalism Tim P. Vos,2018-05-22 This volume sets out the state of the art in the discipline of journalism at a time in which the practice and profession of journalism is in serious flux While journalism is still anchored to its history change is infecting the field The profession and the scholars who study it are reconceptualizing what journalism is in a time when journalists no longer monopolize the means for spreading the news Here journalism is explored as a social practice as an institution and as memory The roles epistemologies and ethics of the field are evolving With this in mind the volume revisits classic theories of journalism such as gatekeeping and agenda setting but also opens up new avenues of theorizing by broadening the scope of inquiry into an expanded journalism ecology which now includes citizen journalism documentaries and lifestyle journalism and by tapping the insights of other disciplines such as geography economics and psychology The volume is a go to map of the field for students and scholars highlighting emerging issues enduring themes revitalized theories and fresh conceptualizations of journalism

Recent Publications in the Social and Behavioral Sciences Sam Stuart,2013-10-22 Recent Publications in the Social and Behavioral Sciences presents a guide to books articles some government reports and a few pamphlets and unbound items about the theory methodology the principal areas of investigation and areas of investigation of potential reward and about the role of the social sciences in contemporary society The book provides a list of cited periodicals bibliography and title and subject indices The text also covers a bibliography of special issues of The Americal Behavioral Scientist The book will be useful to behavioral scientists psychologists and psychiatrists

Verbal Behavior and Politics Doris Appel Graber,1976

Professional Journalism M V Kamath,2009-11-01 There are not many books in India that can serve as a useful textbook to the students and guides to the practising journalist It is this lacuna that M V Kamath one of the most prominent Indian Journalists has tried to fill This is a book on Indian journalism for Indian journalists citing examples of Indian writers Kamath quotes profusely from the writings of Indian editors to illustrate his ideas which considerably adds to the relevance of his work

The ^AColumnist Donald A. Ritchie,2021-05-01 Long before Wikileaks and social media the journalist Drew Pearson exposed to public view information that public officials tried not to reveal A self professed keyhole peeper Pearson devoted himself to determining what politicians were doing behind closed doors From 1932 to 1969 his daily Washington Merry Go Round column and weekly radio and TV commentary broke secrets revealed classified information and passed along rumors based on sources high and low in the federal government Intelligence agents searched fruitlessly for his sources yet rarely learned them Drawing on Pearson s extensive correspondence diaries and oral histories The Columnist

reveals the mystery behind Pearson's leaks and the accuracy of his most controversial revelations The Clinton Wars Sidney Blumenthal, 2003 From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial Blumenthal participated in nearly all the battles of the Clinton years **The Rise of the Counter-Establishment** Sidney Blumenthal, 2011-05-17 A classic of American politics returns How did the Republican Party build its infrastructure and arrive at the Reagan triumph in the years following Barry Goldwater's defeat and Nixon's cataclysmic resignation in 1974 The Rise of the Counter Establishment a now seminal study of contemporary politics provides the answers Based on hundreds of interviews with key policy makers Sidney Blumenthal shows how the conservatives orchestrated their influence to change American politics By charting the rise of a small group of ideologues who transformed their vision into Washington's ruling orthodoxy he brilliantly illuminates the important currents of conservative thought and action as well as the mythology of Reaganism Although Blumenthal himself is unabashedly liberal he is also frankly admiring of the organizational genius displayed by the right wing in finding donors and benefactors eager to fund the think tanks institutes magazines and endowed academic chairs that made the Reagan Revolution and the George W Bush presidency possible He presents an indispensable object lesson for any out of office party determined to regain political power **Shelley's Heart** Charles McCarry, 2011-02-01 A contested presidential election leads to a national crisis in this masterful political thriller loaded with intrigue and counter intrigue Richard Condon author of The Manchurian Candidate At the dawn of the twenty first century the CIA has been disbanded and a secret society has taken hold of powerful positions across Washington After a long and contentious campaign President Bedford Lockwood is celebrating his reelection But the revelry is cut short when it's discovered that his over zealous aides may have tampered with the vote On the eve of the Inauguration Lockwood's rival the archconservative Franklin Mallory presents evidence of fraud When Lockwood refuses to take the oath of office it sets in motion a series of events that may destroy him his party and the Constitution From this catastrophic crisis acclaimed author and former Washington journalist Charles McCarry weaves a smart tense and eerily prescient political thriller Not only exceptionally suspenseful but also unnervingly realistic gripping and intricate The Washington Post **The Press And The Carter Presidency** Mark J Rozell, 2019-08-14 This study is a revision of my doctoral dissertation written at the University of Virginia As a student of the American presidency I became interested in how presidential leadership is defined analyzed and assessed Students of the presidency spend a great deal of time studying leadership theory and debating the merits of different measures of leadership success These students draw inspiration for their ideas from noted presidency scholars such as Edward S Corwin Clinton Rossiter and Richard Neustadt *Building the Great Society* Joshua Zeitz, 2019-01-29 The author of Lincoln's Boys takes us inside Lyndon Johnson's White House to show how the legendary Great Society programs were actually put into practice Team of Rivals for LBJ The personalities behind every burst of 1960s liberal reform from civil rights and immigration reform to Medicare and Head Start Absorbing and

astoundingly well researched all good historians do their homework but Zeitz goes above and beyond It s a more than worthwhile addition to the canon of books about Johnson NPR Beautifully written a riveting portrait of LBJ Every officeholder in Washington would profit from reading this book Robert Dallek Author of An Unfinished Life John F Kennedy 1917 1963 and Franklin D Roosevelt A Political Life LBJ s towering political skills and his ambitious slate of liberal legislation are the stuff of legend the Civil Rights Act of 1964 the Voting Rights Act of 1965 Medicare Medicaid Head Start and environmental reform But what happened after the bills passed One man could not and did not go it alone Joshua Zeitz reanimates the creative and contentious atmosphere inside Johnson s White House as a talented and energetic group of advisers made LBJ s vision a reality They desegregated public and private institutions throughout one third of the United States built Medicare and Medicaid from the ground up in one year launched federal funding for public education provided food support for millions of poor children and adults and launched public television and radio all in the space of five years even as Vietnam strained the administration s credibility and budget Bill Moyers Jack Valenti Joe Califano Harry McPherson and the other staff members who comprised LBJ s inner circle were men as pragmatic and ambitious as Johnson equally skilled in the art of accumulating power or throwing a sharp elbow Building the Great Society is the story of how one of the most competent White House staffs in American history serving one of the most complicated presidents ever to occupy the Oval Office fundamentally changed everyday life for millions of citizens and forged a legacy of compassionate and interventionist government

Reporting from Washington Donald A. Ritchie,2005-03-15 Donald Ritchie offers a vibrant chronicle of news coverage in our nation s capital from the early days of radio and print reporting and the heyday of the wire services to the brave new world of the Internet Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists including Walter Lippmann Joseph Alsop and Drew Pearson as well as the great investigative reporters from Paul Y Anderson to the two green Washington Post reporters who launched the political story of the decade Woodward and Bernstein We read of the rise of radio news fought tooth and nail by the print barons and of such pioneers as Edward R Murrow H V Kaltenborn and Elmer Davis Ritchie also offers a vivid history of TV news from the early days of Meet the Press to Huntley and Brinkley and Walter Cronkite to the cable revolution led by C SPAN and CNN In addition he compares political news on the Internet to the alternative press of the 60s and 70s describes how black reporters slowly broke into the white press corps helped mightily by FDR s White House discusses path breaking woman reporters such as Sarah McClendon and Helen Thomas and much more From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century [Encyclopedia of Journalism](#) Christopher H. Sterling,2009-09-23 Written in a clear and accessible style that would suit the needs of journalists and scholars alike this

encyclopedia is highly recommended for large news organizations and all schools of journalism Starred Review Library Journal Journalism permeates our lives and shapes our thoughts in ways we've long taken for granted Whether we listen to National Public Radio in the morning view the lead story on the Today show read the morning newspaper headlines stay up to the minute with Internet news browse grocery store tabloids receive Time magazine in our mailbox or watch the nightly news on television journalism pervades our daily activities The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism U S and international perspectives history technology legal issues and court cases ownership and economics The set contains more than 350 signed entries under the direction of leading journalism scholar Christopher H Sterling of The George Washington University In the A to Z volumes 1 through 4 both scholars and journalists contribute articles that span the field's wide spectrum of topics from design editing advertising and marketing to libel censorship First Amendment rights and bias to digital manipulation media hoaxes political cartoonists and secrecy and leaks Also covered are recently emerging media such as podcasting blogs and chat rooms The last two volumes contain a thorough listing of journalism awards and prizes a lengthy section on journalism freedom around the world an annotated bibliography and key documents The latter edited by Glenn Lewis of CUNY Graduate School of Journalism and York College CUNY comprises dozens of primary documents involving codes of ethics media and the law and future changes in store for journalism education Key Themes Consumers and Audiences Criticism and Education Economics Ethnic and Minority Journalism Issues and Controversies Journalist Organizations Journalists Law and Policy Magazine Types Motion Pictures Networks News Agencies and Services News Categories News Media U S News Media World Newspaper Types News Program Types Online Journalism Political Communications Processes and Routines of Journalism Radio and Television Technology

Departments of Commerce, Justice, and State, the Judiciary, and related agencies appropriations for 1989 United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies, 1988 **Managing the Press** NA NA, 2019-06-12 Managing the Press re-examines the emergence of the twentieth century media President whose authority to govern depends largely on his ability to generate public support by appealing to the citizenry through the news media From 1897 to 1933 White House successes and failures with the press established a foundation for modern executive leadership and helped to shape patterns of media practices and technologies through which Americans have viewed the presidency during most of the twentieth century Author Stephen Ponder shows how these findings suggest a new context for contemporary questions about mediated public opinion and the foundations of presidential power the challenge to the presidency by an increasingly adversarial press the emergence of new media formats and technologies and the shaping of presidential leadership for the twenty first century Managing the Press explores the rise of the media presidency through the lens of the late twentieth century when the relationship between the President and the press is relevant to more important issues than ever before in

the context of American politics **Congress and the Presidency** Michael Foley, John E. Owens, 1996 The authors emphasise the dynamism of America's foremost political institutions within a democratic system They examine recent developments in relation to the wider context of United States politics and reassert the importance of institutions in understanding this unique political system Alpha Monthly , 1967 *The Flacks of Washington* David Morgan, 1986-03-20

Sale Or Distribution of Mailing Lists by Federal Agencies United States. Congress. House. Committee on Government Operations. Foreign Operations and Government Information Subcommittee, 1972 *New Directions in the American Presidency* Lori Cox Han, 2023-02-21 The third edition of *New Directions in the American Presidency* provides important updates on all topics throughout the text including new and relevant literature across the subfield of presidency studies within political science Significant changes have occurred within the political environment since the publication of the second edition Many scholars refer to the Trump presidency as a disruption to the political order and each chapter will assess the lessons and legacies of the Trump years and analyze how the Biden presidency is faring in the return to a more traditional style of presidential leadership New to the Third Edition Updated chapter on the 2020 presidential campaign and aftermath Assessment of the Trump years Presidential powers and management of executive branch use of social media relationship with Congress relationship with political parties public opinion domestic and foreign policy Supreme Court appointments Two new chapters unitary powers and intersectionality and the presidency
