The Other Brother Tierney Page, 2025-06-03 Sometimes the right love comes from the wrong place All I ever wanted was a love like my parents had something deep irrevocable and all consuming The kind of love that s written about in stories And I thought I found it with Lucas my fianc We had it all the house the cat and the promise of a future full of possibilities Until everything fell apart I discovered his secret Heartbroken and betrayed I convinced myself that I d never find anything like what Lucas and I shared He was my everything Then one night I ran into his younger brother James He s a musician complicated intense and nothing like Lucas And yet I can t deny the pull I feel toward him I m drawn to him in ways I cannot explain Opening my heart to someone so close to the man who shattered it feels ridiculous But it s undeniable and I can t resist Trying to stay away only makes it worse I want him I m falling for the one person I shouldn t I m falling for the other brother

The Nightwatches of Bonaventura Gerald Bonaventura, 2014-10-24 This is a strange darkly ironic novel published under the nom de plume of Bonaventura originally in German in 1804 It is a true child of the romantic agony the narrator and anti hero a night watchman named Kreuzgang was once a poet Now stripped of all Romantic illusion he works as a watchman which gives him a vantage on the follies of other citizens To Kreuzgang life is a grotesque macabre and sordid joke sprung by a mechanical and heartless force A cult classic in some literary circles Gothic lit fans and specialists in German Romanticism the book is uncannily cinematic Every night Kreuzgang goes on his rounds and stops to peer into a window or door where he observes a framed scene of murder despair theft romance or some other private moment He is

cynical and pessimistic and comic in a way that seems current turning the culture of Romanticism inside out The writing is quite simply brilliant Ever since *Die Nachtwachen* was first published fans have speculated on who could have written it The belief today is that the author was probably the theater director August Klingemann who as translator Gerald Gillespie explains idolized Shakespeare and first staged Goethe's *Faust* Certainly Klingemann would have understood the power and artifice of the framed scene In 1972 Gerald Gillespie published a translation in the Edinburgh Bilingual Series which was released in the States by the University of Texas Press Our edition includes the English version only with a new less pedantic introduction by Gillespie and a brief afterword
