Sinister Street (Classic Reprint) Compton Mackenzie, 2018-01-20 Excerpt from Sinister Street Sinister Street was begun at 6 North Street Westminster in July 1912 but the writing of it was interrupted by dramatizing my novel Carnival and then more seriously by my going to America in September to take part in the production of the play On New Year's Day 1913 I was laid low by the acute sciatica which has been my companion at intervals ever since In March I left America for Italy and started again on Sinister Street in Sorrento and Capri but I came back to finish the first volume at Phillack in Cornwall In order to get the book out that autumn the printers started setting it up before I had finished writing it Indeed I corrected the proofs of the last chapter at Brendons in Plymouth and was able to watch the presses start printing off the final sheets as soon as my corrections were made That was at the beginning of August 1913 and the first volume was to be published on September 1st About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do
