Sir Gawain The Green Knight:

Sir Gawain and the Green Knight Michael Smith, 2018-07-26 It is New Year at Camelot and a mysterious green knight appears at King Arthur's court. Challenging the knights of the Round Table to a Christmas game, he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike. The condition is that his challenger must seek him out in a year and a day to have the deed returned. Sir Gawain accepts and decapitates the stranger only to see him pick up his head, walk out of the hall and ride away on his horse. Now Gawain must complete his part of the bargain: search for his foe and confront what seems his doom. Michael Smith's translation of this magnificent Arthurian romance draws on his intimate experience of the North West of England and his knowledge of mediaeval history, culture and architecture. He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience while revealing the poem's historic and literary context. The book is beautifully illustrated by throughout with detailed recreations of the illuminated lettering in the original manuscript and the author's own linocut prints, each meticulously researched for contemporary accuracy. This is an exciting new edition that will appeal both to students of the Gawain poet and the general reader alike. **Sir Gawain**

and the Green Knight Anonymous, 2012-10-19 Sir Gawain and the Green Knight is a masterpiece of medieval English literature and one of the finest Arthurian tales in any language. Though its ingenious plotting and verbal artistry continue to dazzle readers, it is written in a challenging regional dialect and uses many words that were already archaic when the poem was written in the late fourteenth century. This edition is designed to make the poem in its original Middle English accessible to students and general readers. Following standards adopted for editing other Middle English poets, the edition lightly normalizes spellings to make words more recognizable for a modern audience. Extensive marginal glossing of difficult words, thorough on-page explanatory notes and a comprehensive glossary offer further support for readers. The historical appendices include other examples of medieval romance from France and Britain. *Sir Gawain & the Green Knight* John

Gardner, 1967-11-03 This Middle English poem about the moral testing of a young hero is commonly described as the greatest Arthurian romance in our literary tradition.
