## **Sir Richard Grenville Of The Revenge An Elizabethan Hero:**

**Sir Richard Grenville of the Revenge an Elizabethan Hero** A. L. Rowse, 1986      **Sir Richard Grenville of the Revenge** Alfred Leslie Rowse, 1937      Stories of Elizabethan Heroes Edward Gilliat, Before we touch upon the lives of some of the heroes of the Maiden Queen it were well to consider briefly what life was like in those days and how it differed from our own When on a November day in 1558 Sir Nicholas Throckmorton spurred his steaming horse to Hatfield in haste to inform the Princess Elizabeth that Queen Mary was dead he was bidden to ride back to the Palace of St James s and request one of the ladies of the bedchamber to give him if the Queen were really dead the black enamelled ring which her Majesty wore night and day So cautious had the constant fear of death made Anne Boleyn s daughter Meanwhile a deputation from the Council had arrived at Hatfield to offer to the new Queen their dutiful homage Elizabeth sank upon her knees and exclaimed A Domino factum est istud et est mirabile in oculis nostris This is the Lord s doing and it is marvellous in our eyes a text which the Queen caused to be engraved on her gold coins in memory of that day of release from anxiety For the poor young Princess had lived for years in a state of alarm she had been imprisoned in the Tower the victim of plots for and against her she had been kept under severe control at Woodstock under Sir Henry Bedingfeld where she once saw a milkmaid singing merrily as she milked the cows in the Park and exclaimed That milkmaid s lot is better than mine and her life far merrier And now on a sudden her terrors were turned into a great joy and what the Princess felt all England was soon experiencing as soon as men realised that the tyranny of Rome and of Spain was shattered and gone Elizabeth was now at the close of her twenty fifth year of striking beauty and commanding presence tall and comely with a wealth of hair yellow tinged with red she inherited from her mother an air of coquetry and her affable manners soon endeared her to her people The English were tired of Smithfield fires and foreign priests and princes a new era seemed to be dawning upon them at last an era of freedom for soul and body and imagination ran riot with hope to forecast a new and happier world The homage of an admiring nation was stirred by her young beauty and wild ambition not content with the quiet fields of England turned adventurously to the New World beyond the Atlantic where men dreamed of real cities paved with gold It is true that the Pope had given all the great West to his faithful daughter Spain but Englishmen thought they had as much right to colonise America as any son of Spain and they soon obtained their Queen s leave to land and explore But the first merchants who ventured west found that Spanish policy forbade Christians to trade with heretics Nay if they were taken prisoners by the Spaniards they suffered the punishment of the rack and the stake and if they escaped they came home with tales of cruelty that set all England ablaze to take revenge Abroad the sky is dark and wild writes Kingsley and yet full of fantastic splendour Spain stands strong and awful a rising world tyranny with its dark souled Cortezes and Pizarros Alvas Don Johns and Parmas men whose path is like the lava stream who go forth slaying and to slay in the names of their Gods Close to our own shores the Netherlands are struggling vainly for their liberties abroad the Western Islands and the whole trade of Africa and India

will in a few years be hers and already Englishmen who go out to trade in Guinea in the Azores and New Spain are answered by shot and steel      **Richard Grenville and the Lost Colony of Roanoke** Andy Gabriel-Powell, 2016-10-24 England's ill-fated first attempt to colonize America at Roanoke Island in 1587 more than 30 years before the Pilgrims set sail has been the focus of numerous studies, fictional retellings and media interpretations. By 1590 the Lost Colony had disappeared and much of the available literature on it is based on research conducted more than 60 years ago. Drawing on newly discovered documents, several recent archaeological finds and a re-examination of contemporary writings, this book brings a fresh perspective to the story. The author discusses the 2012 discovery of a hidden fort on Virginia Governor John White's 1585 map and challenges accepted theories about the Dare Stones. Biographies of White and Sir Richard Grenville, Sir Walter Raleigh's cousin and a more involved participant in the venture than previously credited, are included along with previously unpublished images      **Transactions of the Royal Historical Society: Volume 14** Aled Jones, 2005-05-05 The Transactions of the Royal Historical Society publish an annual collection of major articles representing some of the best historical research by some of the world's most distinguished historians      **The Emergence of International Business, 1200-1800: Enterprise and empire** Theodore K. Rabb, 1999 Presents a history of commerce covering such topics as colonial expansion, credit and banking and the development of trading companies      **The World of Christopher Marlowe** David Riggs, 2014-01-07 The definitive biography, a masterly account of Marlowe's work and life and the world in which he lived. Shakespeare's contemporary Christopher Marlowe revolutionized English drama and poetry, transforming the Elizabethan stage into a place of astonishing creativity. The outline of Marlowe's life, work and violent death are known, but few of the details that explain why his writing and ideas made him such a provocateur in the Elizabethan era have been available until now. In this absorbing consideration of Marlowe and his times, David Riggs presents Marlowe as the language's first poetic dramatist whose desires proved his undoing. In an age of tremendous cultural change in Europe when Cervantes wrote the first novel and Copernicus demonstrated a world subservient to other nonreligious forces, Catholics and Protestants battled for control of England and Elizabeth's crown was anything but secure. Into this whirlwind of change stepped Marlowe, espousing sexual freedom and atheism. His beliefs proved too dangerous to those in power and he was condemned as a spy and later murdered. In *The World of Christopher Marlowe*, Riggs's exhaustive research digs deeply into the mystery of how and why Marlowe was killed      **English/British Naval History to 1815** Eugene L. Rasor, 2004-10-30 The English/British have always been known as the sailor race with hearts of oak, the Royal Navy as the Senior Service and First Line of Defense. It facilitated the motto: The sun never set on the British Empire. The Royal Navy has exerted a powerful influence on Great Britain, its Empire, Europe and ultimately the world. This superior annotated bibliography supplies entries that explore the influence of the English/British Navy through its history. This survey will provide a major reference guide for students and scholars at all levels. It incorporates evaluative, qualitative and critical analysis processes, the essence of historical scholarship.

Youngs, 1976-09-02 This study investigates the independent prerogative which Mary I and Elizabeth I exercised through royal proclamations. These public documents were announced throughout England, informing men and arguing the Queen's positions, commanding local officials to perform specific actions, and on occasion creating new but temporary law that was designed to meet crisis situations when no delay could be tolerated. The theoretical relationship between this prerogative power and the existing statutory law has been the subject of much debate. This study adds an element previously neglected: the investigation of the Queen's actual use of the proclamations, showing that they did innovate with vigour and legislate in them, but only to supplement and not supplant the law and within the limits slowly being formulated in the sixteenth century. Professor Youngs demonstrates how the proclamations affected domestic security and foreign affairs, social and economic matters, and religion.
