Lane,1879      **My Sister's Keeper** Jodi Picoult,2009-05-19 Anna is not sick but she might as well be By age 13 she has undergone countless surgeries transfusions and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood      **My Sister's Keeper** Jodi Picoult,2004-04-06 Written with grace wisdom and sensitivity this novel is about a teen who was conceived as a bone marrow match for her sister Kate and what happens when she begins to question who she really is      **No Sister's Keeper** Jeanne G'Fellers,2013-01-01 In a society divided by birth upbringing education and status young Chandrey Brava is raised in a conservative sect but leaves home at sixteen for the Taelach Training Grounds Na ve and used to harsh discipline she doesn t recognize that Cance Lynn Creiloff is playing with her heart Seeing Cance through a serious injury Chandrey follows her to the Cleave a sharply fundamental group being eroded from within by those who welcome the servitude of thralls Cance s increasingly vicious treatment of Chandrey raises eyebrows but no more Only her family can liberate her unless she finds allies within the Cleave There may be one Taelach who can help her the mysterious Belsas Exzal Bravery resilience and stoic resistance are the hallmarks of this prequel to the award winning No Sister of Mine      Our Sisters' Keepers Jill Bergman,Debra Bernardi,2005-08-28 American culture has long had a conflicted relationship with assistance to the poor Cotton Mather and John Winthrop were staunch proponents of Christian charity as fundamental to colonial American society while transcendentalists harbored deep skepticism towards benevolence in favor of Emersonian self reliance and Thoreau s insistence on an ascetic life Women in the 19th century as these essays show approached issues of benevolence far differently than their male counterparts consistently promoting assistance to the impoverished in both their acts and their writings      The Sister Keepers Marian Jones,2000 Around the top frame of the old State Teacher s College classroom chalk board runs the Spanish proverb Since we do not receive what we want from life we must learn to love what we get In 1917 six young women form an eat lunch elegantly while studying Spanish club that expands into the school s first sorority and keeps going for seventy five years in spite of scandals tragedies a husband snatching sister homicide two world wars the dreadful Armenian Genocide of 1916 and its effect fifty years later on two of the sisters      My Sister's Keeper Kerry Duke,1999-01-01      **Making a Sister** Epes Winthrop Sargent,1910      *God's Absolute Love Truth* Joy Maloy,2020-08-25 In the Bible we read in Isaiah 55 8 9 that God s thoughts and ways are higher than our thoughts and ways as higher as the heavens are higher than the earth higher So why wouldn t we want to know what they are And even though the Bible inspired by God was written by different men at different times in history it is consistent In fact we see things repeated throughout it that can teach us something about God For instance when we see fingers in the Bible we can find a message about judgment In this book we follow things that are repeated in the Bible to learn about God God s word is amazing like that And God s Word is the absolute love truth

Pollock, 2014-04-14 Historically women have been an afterthought in criminal justice policymaking and the criminological enterprise The study of criminology has largely been the study of criminal men because women commit less crime than men More recently criminologists have paid increased attention to the population of female offenders partly because of their growing numbers and partly because of the tens of thousands of children affected by having their mothers in prison or on supervised release The recent attention however has not necessarily been a good thing for women who are much more likely to be formally prosecuted and incarcerated today than in decades past This policy shift has come about partly because of misinformed policies implemented to help women and partly because of shifts in theorists beliefs and public perceptions that women and men are similar in their criminal motivations and should therefore be treated similarly The controversy surrounding this perception is the focus of this book To better comprehend the challenges facing women in the criminal justice system the author a winner of the Bruce Smith Sr Award from the Academy of Criminal Justice Sciences employs research findings and statistics to describe the prevalence and patterns of women s crimes review criminological theories specifically examining how well they explain female criminality understand female juvenile offenders reviewing crime rates theories relating to female delinquency and detention related issues look inside the women s prison to better understand female prisoners and their world examine classification and programming issues particularly the impact of gender specific programming and explore the problems experienced by women upon release and the related issue of women s recidivism **What Lies Within the Words Written** Shawnmica L.
