**Early Modernity and Mobility** Sebouh David Aslanian, 2023-06-27 A history of the continent spanning Armenian print tradition in the early modern period *Early Modernity and Mobility* explores the disparate yet connected histories of Armenian printing establishments in early modern Europe and Asia From 1512 when the first Armenian printed codex appeared in Venice to the end of the early modern period in 1800 Armenian presses operated in nineteen locations across the Armenian diaspora Linking far flung locations in Amsterdam Livorno Marseille Saint Petersburg and Astrakhan to New Julfa Madras and Calcutta Armenian presses published a thousand editions with more than half a million printed volumes in Armenian script Drawing on extensive archival research Sebouh David Aslanian explores why certain books were published at certain times how books were sold across the diaspora who read them and how the printed word helped fashion a new collective identity for early modern Armenians In examining the Armenian print tradition Aslanian tells a larger story about the making of the

diaspora itself Arguing that confessionalism and the hardening of boundaries between the Armenian and Roman churches was the driving engine of Armenian book history Aslanian makes a revisionist contribution to the early modern origins of Armenian nationalism     The Essentials of International Public Law and Organization Amos Shartle Hershey,1927
