Ward at least a decade before his name became public in the Profumo Scandal Muriel's motive is about more than proving her sister Ruth's innocence. It's about reclaiming the right to tell the story of her own family stripped bare of the many tabloid myths that have accrued over the decades. She shows that Ruth was somebody damaged at a very early age who strove to make something of herself only to be caught up in something much bigger and end up paying with her life.
