Sitting It Out A World War Ii Pow Memoir

Robert C. Doyle

Sitting It Out A World War II POW Memoir:

Sitting It Out David Westheimer, 2000-08 In 1941 Westheimer was in a B 24 that ditched off the coast of Italy It was the first American plane to be lost over Italy in the early days of WW2 Behind enemy lines the author and 6 other survivors were taken to a camp at Poggio Mirteto before being assigned to another Italian POW camp After 9 months in captivity the prisoners had a brief brush with freedom Retaken by advancing Germans before they could escape they were transported through the Alps to Stalag Luft III Westheimer spent 19 more months in German hands before he was finally liberated by American troops on April 29 1945 Westheimer wrote this book shortly after his release Photos *The Enemy in Our Hands* Robert C. Doyle, 2010-03-19 Revelations of abuse at Baghdad's Abu Ghraib prison and the U S detention camp at Guantanamo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history Military expert Robert C Doyle's *The Enemy in Our Hands America's Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America's major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history's conquerors are judged **Our Last Mission** Dawn Trimble Bunyak, 2005-08-01 In this remarkable tale of courage historian Dawn Trimble Bunyak recounts the experiences of her uncle Lawrence Pifer a technical sergeant who survived fourteen months of internment as a prisoner of war in World War II Nazi Germany A radio operator and ball turret gunner on the American B 17 bomber Slightly Dangerous Pifer was shot down during a raid on March 4 1944 As he parachuted from the plummeting plane Pifer witnessed the deaths of two of his fellow crewmembers Captured by Nazi soldiers and taken to a series of German Stalag Luft camps Pifer and other servicemen mostly in their teens and twenties endured torture starvation disease and forced marches When British forces liberated Pifer's group he pushed his POW experiences deep into the recesses of his mind not to recall them in detail for decades Years later a POW group at a Veterans Administration hospital helped Pifer realize that he was ready to tell his story After forty hours of interviews with Pifer Dawn

Trimble Bunyak retells the enthralling story of an average enlisted man's struggle to survive in the face of hopelessness with only his strong faith and pride in country to sustain him. In his foreword, historian Arnold Krammer shows how popular views of the prisoner of war experience have changed dramatically over time yet how rare are such first person accounts as Pifer's. Enhanced by numerous photographs and maps and an appendix of prisoners' poetry, *Our Last Mission* is one of only a few oral histories that details the daily experiences of one of the 94,000 American POWs in Europe during World War II. *Masters of the Air* MTI Donald L. Miller, 2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U.S. Eighth Air Force, the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers' arrival on the ground. *Not Without Honor* Kay Sloan, 2008-12-01 Not Without Honor threads together the stories of three American POWs: Carano, his buddy Bill Blackmon, who was also at Stalag 17b, and John C. Bitzer, who survived the brutal Death March from northern Germany to liberation in April 1945. At times the journal reads like a thriller as he records air battles and escape attempts. Yet in their most gripping accounts, these POWs ruminate on psychological survival. The sense of community they formed was instrumental to their endurance. This compelling book allows the reader to journey with these young men as they bore firsthand witness to the best and worst of human nature. *Winged Shield, Winged Sword*, 1997 *Winged Shield, Winged Sword* Bernard C. Nalty, 1997 Beskriver de amerikanske flystyrkeres historiske udvikling i perioden 1907-1950. **Winged Shield, Winged Sword 1950-1997** Bernard C. Nalty, 2003-11 Describes and analyzes in the context of national policy and international rivalries the evolution of land-based air power since the United States Army in 1907 established an Aeronautical Division. Provides a clearer understanding of the central role of the Air Force in current American defense policy. **Texas in Poetry 2** Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness. Lasca with memorable lines like "Scratches don't count. In Texas, down by the Rio Grande." *Life Behind Barbed Wire* Angelo M. Spinelli, Lewis H. Carlson, 2004 Contains one hundred photographs by Angelo Spinelli secretly taken during his twenty-seven month confinement in a German prisoner of war camp, including shots of everyday life as well as depicting the cruelties of war. *In the Shadows of War* Thomas Childers, 2004-03 Publisher Description **Winged Shield, Winged Sword 1907-1950** Bernard C. Nalty, 2003-11 Describes and analyzes in the context of national policy and international rivalries the evolution of land-based air power since the United States Army in 1907 established an Aeronautical Division. Provides a clearer understanding of the central role of the Air Force in current American defense policy. *The Polish-German Borderlands* Barbara Paul, 1994-08-30 This annotated guide to English language materials dealing with all aspects of the history of the borderlands since the 1700s gives special attention to conflicts between Germans and Poles and issues that are again critical in Central Europe. Students, teachers, and scholars will find this bibliography of over 1200 entries to primary sources, books, chapters in books, dissertations, journal articles, government documents, fiction, and films easy to use. The introduction points to different names given to the region and puts the bibliography into historical

context The chapters cover different historical periods and organize material either by genre of work or by topics significant to a particular era Author title and subject indexes make the material easily accessible for a wide variety of research needs

Air Power and Desert Storm Richard B. Clark,1993-05 Includes Saddam Hussein and Iraqi Air Power The Air Force Mission The big Lesson from Desert Storm Air Base Attacks The New AFM 1 1 O Clubs and Close Air Support Black and white photos **Discovering Texas History** Bruce A. Glasrud,Light Townsend Cummins,Cary D. Wintz,2014-09-09

Discovering Texas History is a historiographical reference book that will be invaluable to teachers students and researchers of Texas history Chapter authors are familiar names in Texas history circles a who s who of high profile historians Conceived as a follow up to the award winning but increasingly dated A Guide the History of Texas 1988 Discovering Texas History focuses on the major trends in the study of Texas history since 1990 In part one topical essays address significant historical themes from race and gender to the arts and urban history In part two chronological essays cover the full span of Texas historiography from the Spanish era to the modern day In each case the goal is to analyze and summarize the subjects that have captured the attention of professional historians so that Discovering Texas History will take its place as the standard work on the history of Texas history **Air University Library Index to Military Periodicals** ,1992 Special

Bibliography Series United States Air Force Academy. Library,2000 **Special Bibliography Series** ,1957 *Texas* Rupert N. Richardson,Cary D. Wintz,Adrian Anderson,Ernest Wallace,2016-05-23 Written in a narrative style this comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty first century this text successfully considers each era equally in terms of space and emphasis Captured : Memoir of World War II James D. Pascoe,2014-08-29 Two years after the United States entered the Second World War 21 year old college student James D Pascoe was drafted into the U S Army Air Force The California native trained as a tail gunner and was assigned to a B 26 Marauder On his 11th mission the young airman was shot down over the French countryside Passed by local families to the Resistance Pascoe spent weeks on the run Betrayed he was captured and imprisoned by the Germans This memoir based on the daily journal he kept through the war tells the story of an ordinary American from civilian to POW and back again
