

Six Mountain Travels

Elizabeth Mazzolini

Six Mountain Travels:

The Seven Mountain-Travel Books H. W. Tilman, 2004 Snow on the Equator The Ascent of Nanda Devi When Men Mt Everest Two Mountains China to Chitral and Nepal Himalaya **Ski**, 1995-10 **Bigfoot** Joshua Blu Buhs, 2009-08-01 Last August two men in rural Georgia announced that they had killed Bigfoot The claim drew instant feverish attention leading to more than 1 000 news stories worldwide despite the fact that nearly everyone knew it was a hoax Though Bigfoot may not exist there s no denying Bigfoot mania With Bigfoot Joshua Blu Buhs traces the wild and wooly story of America s favorite homegrown monster He begins with nineteenth century accounts of wildmen roaming the forests of America treks to the Himalayas to reckon with the Abominable Snowman then takes us to northern California in 1958 when reports of a hairy hominid loping through remote woodlands marked Bigfoot s emergence as a modern marvel Buhs delves deeply into the trove of lore and misinformation that has sprung up around Bigfoot in the ensuing half century We meet charlatans pseudo scientists and dedicated hunters of the beast and with Buhs as our guide the focus is always less on evaluating their claims than on understanding why Bigfoot has inspired all this drama and devotion in the first place What does our fascination with this monster say about our modern relationship to wilderness individuality class consumerism and the media Writing with a scientist s skepticism but an enthusiast s deep engagement Buhs invests the story of Bigfoot with the detail and power of a novel offering the definitive take on this elusive beast **Shipton and Tilman** Jim Perrin, 2013-03-07 Using unpublished diaries Jim Perrin the acclaimed author of *The Villain* and *Menlove* tells the story of the greatest exploring partnership in British history In the 1930s Tilman and the younger Shipton pioneered many routes in Africa and the Himalayas and found the key to unlocking Everest They crossed Africa by bicycle explored China with Spender and Auden journeyed down the Oxus River to its source and with no support opened up much of the Nepalese Himalaya In the words of Jim Perrin The journeys of discovery undertaken through two decades by this pair of venturesome ragamuffins are unparalleled in the annals of mountain exploration Jim Perrin writes of his source material These unpublished diaries journals and extensive correspondence have not previously been used to present a portrait of the most productive friendship in the history of mountain exploration What they reveal is in Shipton s phrase a random harvest of delight gathered by two uniquely bold and engaging characters from the great mountain ranges of the world during the golden era of their first western exploration Between geographical excitement the nature of arduous travel in difficult and uncharted terrain throughout a lost epoch and the quirkiest and most stimulating of friendships the theme is a gift and one that has long been waiting for adequate treatment **Because It's There** Alan Weber, 2003-04-09 Mountains have long inspired the wit and daring of the world s most fascinating explorers In this definitive collection of mountain lore Alan Weber exhibits forty three essays by artists and adventurers to whom climbing was more a mission than a sport Beginning with the fabled tale of Hannibal s Roman invasion men horses and elephants in tow through the hitherto impassable Alps the accounts progress to recent descriptions of high

peaks mountain climbing in Mount Everest and the formidable K 2 Included among the earlier pieces are Petrarcha s introspective journey to the Windy Mount William Windham s exploration of Montenvers and the Sea of Ice in 1741 and English artist critic John Ruskin s essay on mountain climate and culture Literary masters portray the idyllic and imperfect aspects of mountain life the restoration poet Andrew Marvell offers a hymn to the Barrow hills while poems from Shelley Lord Byron and Matthew Arnold praise the natural beauty and fresh air of the mountain crags Because It s There pays homage to the spiritual introspection and respect for nature engendered by the looming mountain ranges that have demarcated territories protecting villages and cities from invasion The explorations these mountains have inspired have tested human endurance and mental strength Alan Weber is a research fellow of the Institute for European Studies at Cornell University and a CEMERS Associate Fellow at the State University of New York at Binghamton He is the editor and author of Nineteenth Century Science A Selection of Original Texts and Women Almanac Writers Forthcoming A long time member of the Penn State Outing and Cornell Outing Clubs he has rock and ice climbed in the Adirondacks Green and Shawangunk Mountains and Mount Rainier

Into Thin Air Jon Krakauer, 1998-11-12 1 NATIONAL BESTSELLER The epic account of the storm on the summit of Mt Everest that claimed five lives and left countless more including Krakauer s in guilt ridden disarray A harrowing tale of the perils of high altitude climbing a story of bad luck and worse judgment and of heartbreaking heroism PEOPLE A bank of clouds was assembling on the not so distant horizon but journalist mountaineer Jon Krakauer standing on the summit of Mt Everest saw nothing that suggested that a murderous storm was bearing down He was wrong By writing Into Thin Air Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas He also avoids blasting easy targets such as Sandy Pittman the wealthy socialite who brought an espresso maker along on the expedition Krakauer s highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong But for Krakauer himself further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber s death Clearly Krakauer remains haunted by the disaster and although he relates a number of incidents in which he acted selflessly and even heroically he seems unable to view those instances objectively In the end despite his evenhanded and even generous assessment of others actions he reserves a full measure of vitriol for himself This updated trade paperback edition of Into Thin Air includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy I have no doubt that Boukreev s intentions were good on summit day writes Krakauer in the postscript dated August 1999 What disturbs me though was Boukreev s refusal to acknowledge the possibility that he made even a single poor decision Never did he indicate that perhaps it wasn t the best choice to climb without gas or go down ahead of his clients As usual Krakauer supports his points

with dogged research and a good dose of humility But rather than continue the heated discourse that has raged since Into Thin Air s denouncement of guide Boukreev Krakauer s tone is conciliatory he points most of his criticism at G Weston De Walt who coauthored The Climb Boukreev s version of events And in a touching conclusion Krakauer recounts his last conversation with the late Boukreev in which the two weathered climbers agreed to disagree about certain points Krakauer had great hopes to patch things up with Boukreev but the Russian later died in an avalanche on another Himalayan peak Annapurna I In 1999 Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters a prestigious prize intended to honor writers of exceptional accomplishment According to the Academy s citation Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic solitary sport while his account of the life and death of Christopher

McCandless who died of starvation after challenging the Alaskan wilderness delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind **Sixteen Months' Travel, 1886-87** Earl Thomas Allnutt Brassey,1888 [Sixteen Months' Travel, 1886-87](#) ,1888 **Yeti, Sasquatch & Hairy Giants** David Hatcher Childress,2011-03-23 Author and adventurer David Hatcher Childress takes the reader on a fantastic journey across the Himalayas to Europe and North America in his quest for Yeti Sasquatch and Hairy Giants Childress begins with a discussion of giants and then tells of his own decades long quest for the Yeti in Nepal Sikkim Bhutan and other areas of the Himalayas and then proceeds to his research into Bigfoot Sasquatch and Skunk Apes in North America Chapters include The Giants of Yore Giants Among Us Wildmen and Hairy Giants The Call of the Yeti Kanchenjunga Demons The Yeti of Tibet Mongolia Bigfoot Sasquatch Rules the Forest Modern Sasquatch Accounts more Includes a 16 page color photo section

[Headstrap](#) Nandini Purandare,Deepa Balsavar,2024-04-01 2024 Banff Mountain Book Competition Climbing Literature Winner 2024 Boardman Tasker Award for Mountain Literature This captivating chronicle delves into the untold story of a tribe of people who have played a significant role in mountain exploration and climbing in the Himalayas Situated in northern India Darjeeling was developed as a colonial retreat by the British in the early 1830s and soon became famous for its tea gardens attracting locals from around the region Nepal and Tibet in search of work When Darjeeling became the jumping off point for early Himalayan expeditions workers from the Sherpa and Bhutia communities soon established themselves as the preferred high altitude porters bringing fame entwined with tales of valor courage and sacrifice to the city These are some of their stories Over the course of a decade authors Nandini Purandare and Deepa Balsavar conducted a series of interviews with Sherpas from Darjeeling as well as their family members descendants friends and contemporary climbers Headstrap weaves a vivid tapestry of this particular Sherpa community giving them the recognition in mountaineering literature that they deserve **The Everest Effect** Elizabeth Mazzolini,2015-10-31 The Everest Effect is an accessibly written cultural

history of how nature technology and culture have worked together to turn Mount Everest into a powerful and ubiquitous physical measure of Western values Himalayan Dreaming Will Steffen, 2010-07-01 How did climbers from the world's flattest hottest continent become world class Himalayan mountaineers the equal of any elite mountaineer from countries with long climbing traditions and home ranges that make Australia's highest summit look like a suburban hill This book tells the story of Australian mountaineering in the great ranges of Asia from the exploits of a brash young colonial with an early British Himalayan expedition in the 1920s to the coming of age of Australian climbers in the 1980s The story goes beyond the two remarkable Australian ascents of Mt Everest in 1984 and 1988 to explore the exploits of Australian climbers in the far flung corners of the high Himalaya Above all the book presents a glimpse into the lives the successes failures tragedies motivations fears conflicts humor and compassion themselves to the ultimate limits of survival in the most spectacular and demanding mountain arena of all **The Last Hero** Tim Madge, 1995 Biography of the sailor mountaineer and adventurer called perhaps the greatest explorer of the twentieth century Fallen Giants Maurice Isserman, Stewart Angas Weaver, Dee Molenaar, 2010-01-01 In the first comprehensive history of Himalayan mountaineering in 50 years the authors offer detailed original accounts of the most significant climbs since the 1890s and they compellingly evoke the social and cultural worlds that gave rise to those expeditions *Travel Guide of Mountains in China* Ni Hao, This book is the volume of Travel Guide of Mountains in China among a series of travel books Travelling in China Its content is detailed and vivid **The Last Englishmen** Deborah Baker, 2018-08-21 A sumptuous biographical saga both intimate and epic about the waning of the British Empire in India John Auden was a pioneering geologist of the Himalaya Michael Spender was the first to draw a detailed map of the North Face of Mount Everest While their younger brothers W H Auden and Stephen Spender achieved literary fame they vied to be included on an expedition that would deliver Everest's summit to an Englishman a quest that had become a metaphor for Britain's struggle to maintain power over India To this rivalry was added another in the summer of 1938 both men fell in love with a painter named Nancy Sharp Her choice would determine where each man's wartime loyalties would lie Set in Calcutta London the glacier locked wilds of the Karakoram and on Everest itself *The Last Englishmen* is also the story of a generation The cast of this exhilarating drama includes Indian and English writers and artists explorers and Communist spies Die Hards and Indian nationalists political rogues and police informers Key among them is a highborn Bengali poet named Sudhin Datta a melancholy soul torn like many of his generation between hatred of the British Empire and a deep love of European literature whose life would be upended by the arrival of war on his Calcutta doorstep Dense with romance and intrigue and of startling relevance for the great power games of our own day Deborah Baker's *The Last Englishmen* is an engrossing story that traces the end of empire and the stirring of a new world order **The Scientific American Handbook of Travel**, 1910 **Travel, adventure and sport from 'Blackwood's magazine'. 6 vols [in 12 pt.]**. Blackwood's magazine, 1889 K2, Triumph and Tragedy Jim Curran, 1989 This gripping

story belongs with the classics of mountaineering In 1986 nine expeditions attempted to climb K 2 Twenty seven climbers reached the summit Thirteen people died that summer Two 8 page inserts one in color Maps Everest Peter Potterfield, Tom Hornbein, 2003 Everest The Mountaineers Anthology Series Volume 4 contains extraordinary insights into the early attempts successes disasters and noteworthy moments including accounts from Tom Hornbein Jim Whittaker Frank Smythe Eric Simonson Reinhold Messner and many other legendary climbers The authors give their personal accounts of the challenges and traumas that await all those who would climb to the top of the world Offers a great introduction to the history of Everest
