Sizwe Bansi Is Dead And The Island:

Sizwe Bansi is Dead and The Island Athol Fugard, John Kani, Winston Ntshona, 1976 Sizwe Bansi is Dead Athol Fugard,

The Dramatic Art of Athol Fugard Albert Wertheim, 2000-09-22 Albert Wertheim's study of Fugard's plays is both extremely insightful and beautifully written. This book is aimed not only at teachers, students, scholars, and performers of Fugard but also at the person who simply loves going to see a Fugard play at the theatre. Nancy Topping, Bazin, Eminent Scholar and Professor Emerita, Old Dominion University. Athol Fugard is considered one of the most brilliant, powerful, and theatrically astute of modern dramatists. The energy and poignancy of his work have their origins in the institutionalized racism of his native South Africa and more recently in the issues facing a new South Africa after apartheid. Albert Wertheim analyzes the form and content of Fugard's dramas, showing that they are more than a dramatic chronicle of South African life and racial problems. Beginning with the specifics of his homeland, Fugard's plays reach out to engage more far-reaching issues of human relationships, race, and racism, and the power of art to evoke change. *The Dramatic Art of Athol Fugard* demonstrates how Fugard's plays enable us to see that what is performed on stage can also be performed in society and in our lives, how inverting Shakespeare, Athol Fugard makes his stage the world. **Sizwe Bansi is Dead** Athol Fugard, 1974

The Cambridge Introduction to Tragedy Jennifer Wallace, 2007-05-10 An introductory study into tragedy in drama and literature and in the real world. **The Methuen Drama Guide to Contemporary South African Theatre** Martin Middeke, Peter Paul Schnierer, 2015-11-19 South Africa has a uniquely rich and diverse theatre tradition which has responded energetically to the country's remarkable transition, helping to define the challenges and contradictions of this young democracy. This volume considers the variety of theatre forms and the work of the major playwrights and theatre makers producing work in democratic South Africa. It offers an overview of theatre pioneers and theatre forms in Part One, before concentrating on the work of individual playwrights in Part Two. Through its wide-ranging survey of indigenous drama written predominantly in the English language and the analysis of more than 100 plays, a detailed account is provided of post-apartheid South African theatre and its engagement with the country's recent history. Part One offers six overview chapters on South African theatre pioneers and theatre forms. These include consideration of the work of artists such as Barney Simon, Mbongeni Ngema, Phyllis Klotz, the collaborations of William Kentridge and the Handspring Puppet Company, the work of Magnet Theatre, and of physical and popular community theatre forms. Part Two features chapters on twelve major playwrights, including Athol Fugard, Reza de Wet, Lara Foot, Zakes Mda, Ya-l Farber, Mpumelelo Paul Grootboom, Mike van Graan, and Brett Bailey. It includes a survey of emerging playwrights and significant plays, and the book closes with an interview with Aubrey Sekhaby, the Artistic Director of the South African State Theatre in Pretoria. Written by a team of over twenty leading international scholars, *The Methuen Drama Guide to Contemporary South African Theatre* is a unique resource that will be invaluable to students and scholars from a range of different disciplines as well as theatre practitioners.

Athol Fugard Alan Shelley, 2009-04-30 A playwright whose work is appreciated on a global scale Athol Fugard's plays have done more to document and provide a cultural commentary on Apartheid era South Africa than any other writer in the last century Using mostly migrant workers and township dwellers and staging guerrilla raid productions in black areas Fugard frequently came into conflict with the government forcing him to take his work overseas Consequently powerful plays such as *The Blood Knot* *Sizwe Banzi is Dead* and *Master Harold and the boys* came to broadcast the inequities of the Apartheid era to the world Fugard's work retains an insistent influence and is studied and performed the world over Alan Shelley's study is an accessible but profound analysis of the man his work and its influence the social injustices that drive him and the lives of those who people his remarkable plays
