The SAGA OF HALFRED THE SIGSKALD is tale of the Tenth Century A Long time ago there was growing up in the North a boy named Halfred In Iceland on the Hamund Fjord stood the splendid hall of his father Hamund At that time elves and goblins still moved about freely among the Northern nations And many say that an elf who had been friendly to the powerful Hamund drew near to the cradle of the boy Halfred and laid wild honey upon his lips and said Victory shall be thine in harping Victory shall be thine in singing Sigskald shall all nations name thee But it is believed that this is a mere idle tale of the heathen people Halfred grew and was strong and beautiful He often sat alone on the cliffs and listened how the wind played in rifts in the crags and he would fain have tuned his harp to the same strain and because he could not do it he was filled with frustration When his father died Halfred took the seat of honour in the hall But he took no heed to preserve or improve his inheritance He gave himself up to harp playing and feats of arms He devised a new strain in singing Halfred s strain which greatly charmed all who heard it And in hatchet throwing not one of the men of Iceland could equal him He could dash his hammer through three shields and he would not miss with an arrow His mind was now set upon building a dragon ship strong and splendid worthy of a Viking wherein he might go a Viking or to play his harp in the halls of kings And through many a night he considered how he should build his ship but could devise a plan Yet the image of the ship was always before his eyes with prow and stem with board and bow and instead of a dragon it must carry a silver swan on the prow One morning he came out of the hall and looked out over the Fjord towards the north there from the south south east came floating into Hamund s Bay a mighty ship with swelling sails Then Halfred and his house churls seized their weapons and hurried to their ships Ever nearer the ship came but neither helmet nor spear flashed on board and though they shouted through the trumpet all was still Halfred and his followers rowed to the great ship and saw that it was empty and they climbed on board This was the most splendid dragon ship that ever spread sail on the salt seas But instead of a dragon it bore a silver swan upon the prow This was the ship that Halfred had seen in his dreams with forty oars in iron rowlocks The deck was pavilioned with shields the sails purple striped the prow carved with runes and the ropes of sea dogs skin The high arched silver wings of the swan were gloriously carved and the wind rushed through them with a melodious sound Halfred

sprang up to the seat of honour on the upper deck upon which lay spread a purple royal mantle A silver harp with a swan s head leaned against it and he said Singing Swan shalt thou be called my ship Singing and victorious shalt thou sail And so begins the Saga of Halfred the Sigskald 10% of the net sale will be donated to charities by the publisher     The Spirit of the Vikings Anonymous, Conrad Hjalmar Nordby, Snorri Sturluson, Saemund Sigfusson, Sturla Þórðarson, Hélène Adeline Guerber, Nora Kershaw, 2023-12-03 The Spirit of the Vikings offers readers a comprehensive passage through the myths sagas and histories that encapsulate Viking ethos and ingenuity This anthology spans a spectrum of literary styles from cryptic eddic poetry to compelling sagas filled with legendary exploits capturing the essence of one of history s most enigmatic cultures Under the discerning editorial overview this collection features illustrious narratives alongside lesser known treasures inviting a re examination of the Viking age s impact on literature and culture Within its pages readers are privy to a literary voyage traversing themes of heroism exploration and the navigating of fate Contributors to this volume including medieval scholars such as Snorri Sturluson and Saemund Sigfusson alongside modern interpreters like H l ne Adeline Guerber and Nora Kershaw collectively breathe life into the rich tapestry of Norse literature This confluence of voices reflects the historical and cultural dynamism of the Norse people presenting the collection as a crucible where ancient poetics meets modern interpretation By aligning with medieval Icelandic traditions and subsequent scholarly revivals these authors enrich the thematic exploration providing both primary literary engagement and informed commentary for a deeper understanding of Viking spirit For scholars students and enthusiasts alike The Spirit of the Vikings serves as an indispensable resource offering a multifaceted exploration of Norse cultural legacy It is an invitation to journey through time appreciating the intricate dance between narrative and history This collection fosters a rich dialogue across temporal and stylistic divides providing readers with invaluable insights into the Viking psyche and the profound narratives that continue to shape literature Engage with this anthology to broaden your appreciation of literary traditions and to witness the craft that echoes across ages     *Vikings and Vampires* Sandra Hill, 2014-10-14 VIKINGS VAMPIRES AND VANGELS OH MY Sizzling Starts to Three Super Series The Reluctant Viking The hypnotic voice on the self motivation tape was supposed to help Ruby Jordan solve her problems not create new ones Instead she was lulled from a failing marriage to an era of hard bodied warriors and fair maidens But the world ten centuries in the past didn t prove to be all mead and mirth Ruby had to deal with a Norseman who had her husband s face habits and desire to avoid Ruby Determined not to lose the same man twice Ruby planned a bold seduction that would conquer the reluctant Viking and make him an eager captive of her love The Last Viking He wore nothing but a leather tunic spoke in an ancient tongue and he was standing in Professor Meredith Foster s living room The medieval historian told herself he was part of a practical joke but with his wide gold belt callused hands and the rabbit roasting in her fireplace the brawny stranger seemed so authentic Suddenly Meredith was mesmerized by his bronzed muscular form and her body surrendered to the fantasy that Geirolf Ericsson really was a Viking from a thousand years ago
