Skeeter A Cat Tale:

Skeeter Anne L. Watson, 2005-04 When a stray kitten romps into Lynne's life she has no idea what she's getting into Lynne describes in a series of letters to her friend Angie how Skeeter is high spirited contrary and inventive And when Angie comes for a visit she meets the irrepressible cat

Skeeter Anne L. Watson, 1900 Dealing with a dog to put it crudely is like dealing with a person who's a bit dumb Dealing with a cat is like dealing with a person who's more than a bit crazy When a stray kitten romps into Lynne's life she has no idea what she's getting into As Lynne describes in letters to her friend Angie Skeeter is all cat high spirited contrary and inventive He's so goofy that he reminds Lynne of her own nuttiest escapades so irrepressible that even Lynne's neighbor Mark gets wound around his paw And when Angie visits to see Skeeter for herself Well no one who meets Skeeter will ever be quite the same again

ABOUT THE AUTHOR Anne L Watson a retired historic preservation architecture consultant is the author of numerous novels plus books on such diverse subjects as soapmaking and baking with cookie molds A former resident of San Pedro California the setting of *Skeeter* Anne currently lives in Bellingham Washington with her husband and fellow author Aaron Shepard

SAMPLE January 29 2000 Dear Angie Skeeter is not entirely happy about the way we live For example he doesn't like my going to work With more justification he disapproves of some of my attitudes Most of my experience with animals is with dogs In a relationship with a pet I elect myself pack leader Cats are not pack animals Skeeter a democrat considers us equals and resents my bumptious ways This is particularly true when it comes to food I buy various kinds of food for Skeeter so he won't become too set on one type or flavor I had a friend in high school whose cat Sparkles would eat nothing but Kitty Queen Tuna No other brand would do even people tuna Kitty Queen Salmon would not do either My friend's family had Kitty Queen Tuna crises when none could be found Did you try the all night drugstore We went there last time remember They don't have it The cat probably would have starved before it ate anything else My friend's mother had a strange relationship with the cat She believed Sparkles to be the reincarnation of her own mother long deceased So the cat ruled the household I am not going down that road with Skeeter A gauntlet has been thrown though regarding turkey Till last week he ate it with obvious enjoyment The two cans I've given him this week have gone untouched Someone said it might be spoiled that I should smell it A longtime vegetarian I think meat always smells spoiled but I gave it a whiff Disgusting but not rancid I won't buy it again though if he feels that way This morning he got beef which he accepted In fact he made a pig of himself After breakfast he returned to the bedroom belching alarmingly Would Monsieur like a potato with the steak next time I asked Perhaps a small glass of red wine Monsieur looked interested A salad No sale I think I'll continue being pack leader Like all despots I perpetuate Skeeter's servitude by monopolizing the means to freedom the checkbook the car keys the can opener It's unfair that I should be the leader just because I'm bigger and smarter and have opposable thumbs But it's going to stay that way as long as I can manage it If Skeeter is the reincarnation of my mother she can learn to eat what she's given Love Lynne **Smart**

Smart Housekeeping Around the Year Anne L. Watson, 2017-03-01 SPECIAL NOTE ANNE WILL PERSONALLY ANSWER ANY QUESTION OF YOURS AFTER READING THIS BOOK ASK ON HER WEB SITE AND YOU LL NORMALLY HEAR BACK WITHIN HOURS In this standalone companion to Smart Housekeeping Anne L Watson presents tips on cleaning organizing decluttering furnishing maintaining and managing your home as you d face those tasks around the year Travel with Anne through the calendar as she deals with every aspect of keeping the things around you just the way you want them New homemakers will gain skills and perspective while even veterans will find unique tips and insights All delivered with a wit and frankness not seen in housekeeping books since the days of Peg Bracken Anne s almanac also features the return of her photogenic family of felted mice After their brief introduction in Smart Housekeeping Lady Mouse

Washington with her husband and fellow author Aaron Shepard SAMPLE I chose a window seat on the Greyhound but I didn't look out For almost the whole trip I stared at the rough tan upholstery of the seat in front of me It had a rip on one side and three dark stains A woman settled into the aisle seat She raised her footrest but it clunked back down When I glanced her way she caught my eye and smiled How do you make these things stay put she asked I meant to answer the words were lined up in my mind But before I could say them they slipped apart like beads when the string breaks I gave up and studied the seat cover again Still tan still ripped still stained The next time I looked the woman was gone Evening came but I didn't use my reading light Late at night awake in the breathing dark I imagined running my fingers over the seat back erasing the stains mending the seam In the morning I almost believed I could fix it So I took care not to touch it not to find out for sure In the afternoon the bus left the freeway and crept through downtown traffic I turned then and peered through the mud splattered window As far as I could see Los Angeles was a city of warehouses I sank back into my seat When we reached the station I claimed my suitcase and dragged it through the waiting room to the street Outside I found blank walls and empty sidewalks No direction and no one to ask Well I ran away from college then from New Orleans and then Baton Rouge Is it too soon to run away from here
