*Special Forces Soldier's Manual for MOS 11 B (SQI S)* United States. Department of the Army, 1979      **The Mosin-Nagant Rifle** Bill Harriman, 2016-10-20 The Mosin Nagant is the world's longest surviving and most widely distributed military rifle having armed the forces of Russia and many other countries for more than five decades. It has seen action from World War I to the present day but is most famous for its role during World War II when it proved to be an excellent sniping weapon in the hands of marksmen such as Vasily Zaitsev and Simo Häyhä. This study covers the rifle's entire combat history from its early development through to its service in combat and the impact it has had on modern firearms. Dramatic battle reports and specially commissioned artwork complement the meticulously researched examination of the Mosin Nagant provided by author Bill Harriman as he delves into the history of one of the most iconic rifles of World War II.

**The Illustrated Catalog of Rifles and Shotguns** David Miller, 2022-10-18 A complete compendium of rifles and shotguns through the ages. A rifled firearm is one in which the projectile is made to spin as it travels up the bore. The term rifle, however, was originally applied to muskets to differentiate them from the earlier smoothbore weapons and is used today to designate the infantryman's personal weapon fired from the shoulder or the hip or in some modern weapons from a bipod. The rifle has also been used by sportsmen to kill larger game and was also used as a working tool by cowboys and trappers during the period of Western Expansion. It progressed from being a muzzle loader to a breechloading bolt-operated weapon then to a semi-automatic weapon and finally to a lightweight assault rifle. The emphasis throughout these developments has been in increasing the rate of fire, reducing the weight and making the weapons more accurate, simpler to fire, more reliable and easier to maintain. The shotgun is a smoothbore weapon originally developed as a hunting device for killing fast-moving flying or running prey. Loaded with shot, many small projectiles, the chances of hitting a moving target were greatly enhanced. Like the rifle, the shotgun has undergone similar progression from muzzle loader to breechloader bolt action and finally semi-automatic mode. The weapon has also seen military use in trench warfare and special operations as well as riot suppression by the police. *The Illustrated Catalog of Rifles and Shotguns* shows the reader over 500 longarms of all types from the early flintlocks of the revolutionary period, the percussion cap rifles and repeaters of the Civil War, the famous rifles and shotguns of the Wild West, the standard infantry rifles of two World Wars to the present day with Assault Rifles and combat shotguns together with state-of-the-art sporting rifles and shotguns. Each entry has a color photo along with a description and a technical specification. It is arranged in alphabetical order within five historical periods: Historic, Civil War, The Frontier, Two World Wars and Modern, plus a separate comprehensive Shotgun section.      **The Big Book of Gun Trivia** Gordon L. Rottman, 2013-10-20 Everything you want to know, don't want to know, and don't know you need to know about weapons. A complete guide to weapons history, facts, myths, and trivia. Gordon Rottman offers a step-by-step guide through interesting weapon facts and statistics, including a section on ammunition while breaking apart popular myths and misconceptions. Covering subjects from weapons designations to the longest-serving military rifles, where rifles get their names from, and

everything in between Osprey is proud to present The Big Book of Gun Trivia      **Handguns 2004** Dave Arnold,2003-09 The latest edition of the top selling handguns annual features new reports on handguns for field and personal protection use The catalog section is fully updated and expanded with new feature articles providing the latest on trends gun tests self defense and handgun hunting      *Handguns 2003* Ken Ramage,2002 The latest edition of the top selling handguns annual features new reports on handguns for field and personal protection use The catalog section is fully updated and expanded with new feature articles providing the latest on trends gun tests self defense and handgun hunting      Field Manuals United States. War Department,1979-10
