**A Topographical and Historical Description of the County of Salop** Joseph Nightingale,1813      **"My Rebellious and Imperfect Eye"** ,2021-10-18 My Rebellious and Imperfect Eye Observing Geoffrey Grigson acknowledges and celebrates Geoffrey Grigson 1905 1985 as an all round man as a distinctive lyrical poet as the exact observer of nature and of men in the past and in the present as a pioneering literary critic and art critic as an unrivalled anthologist as a ground breaking editor as a broadcaster as a botanist the list could be extended In an unsurpassed number of diverse areas of artistic and natural culture Grigson passionately communicated all he experienced and felt to as wide an audience as possible Therefore as the centenary of his birth comes in view it seems singularly appropriate to celebrate Geoffrey Grigson s unique contribution to the twentieth century cultural scene In a writing career spanning nearly sixty years he was unmatched by any of his contemporaries for a range which reaches from the edges of journalism into and beyond the academic world In prose and verse the nineteen contributors to this volume amongst them some of the most distinguished names in contemporary English letters would hardly claim to have covered every aspect of Grigson s genius but they do manage to touch upon most of the territory he illuminated The volume contains a full bibliography of Grigson s work and a number of his drawings
