

THESE INMATES ARE "BUSTING OUT" AND
"BREAKING OUT!"

SLAMMER GIRLS is a bawdy ball and chain comedy that will make you "break out" laughing! It tells the story of Melody Campbell – a young and innocent blonde framed for the attempted assassination of the governor.

Sent to the women's penitentiary, Melody encounters a strange new life with even stranger cellmates – including an ex-hooker, a nymphomaniac and an undercover reporter dressed in drag! Knowing she'll get no favours from Candy Treat, the governor's playmate and the warden, Melody engineers a hilarious break out that will make you bust out laughing!

Slammer Girls – they'll do anything to get out!

Slammer Girls:

Mr. Skin's Skincyclopedia Mr. Skin, Skin, 2005 Cult hero radio personality and internet maven Mr Skin is the foremost authority on celebrity nudity At last the inimitable Mr Skin has compiled his vast knowledge into this truly entertaining reference work With skinfo on more than 2000 actresses the films in which they appeared naked and their best nude scenes this is presented in a very easy to use alphabetical format This is both a hilariously alternative take on Hollywood culture and an educational guide to movie stars and really is a one of a kind book Women, Film, and Law Suzanne Bouclin, 2021-03-15 Entertainment and profit constitute the driving force behind popular representations of women in correctional facilities But the creative influence of film and television also generates legal meaning The women in prison WIP genre can leave viewers feeling both empathetic toward the women portrayed in these representations and troubled about the crimes for which they have been convicted Focusing on five exemplary WIP films and a television series Ann Vickers Caged Caged Heat Stranger Inside Civil Brand and Orange Is the New Black Women Film and Law asks how fictional representations explore shape and refine beliefs about women who are incarcerated From melodrama to exploitation and from theatre screenings to on demand film television programs and music videos these texts bring into view the legal economic and political structures that criminalize women differently from men and that target those women who are already marginalized Women Film and Law convincingly argues that popular depictions of women's imprisonment can illuminate the multiple forms of social exclusion and oppression experienced by criminalized women **Plan B** Jonathan Tropper, 2010-05-11 The heartwarming debut novel by the New York Times bestselling author of This is Where I Leave You and One Last Thing Before I Go Turning thirty was never supposed to be like this Ten years ago Ben Lindsey Chuck Alison and Jack graduated from New York University and went out into the world fresh faced and full of dreams for the future But now Ben's getting a divorce Lindsey's unemployed Alison and Chuck seem stuck in ruts of their own making and Jack is getting more publicity for his cocaine addiction than his multimillion dollar Hollywood successes Suddenly turning thirty past the age their parents were when they were born older than every current star athlete or pop music sensation seems to be both more meaningful and less than they'd imagined ten years ago Plan B Jonathan Tropper's wonderful debut novel is about more than friendship love celebrity addiction kidnapping or even turning thirty it's a heartfelt comic riff on what it means to be an adult against your will to be single when you thought you'd have a family to discover you are not in fact immortal and to learn that Star Wars is as good a life lesson today as it was when you were six years old Gays and Lesbians in Mainstream Cinema James Robert Parish, 1993 Hollywood's depiction of gays and lesbians has almost always been stereotypical from the extremely effeminate characters portrayed by Franklin Pangborn Eric Blore and Grady Sutton in the 1930s to the gay characters in To Be or Not to Be 1983 and Torch Song Trilogy 1988 A contrasting depiction the homicidal homosexual has been the basis for such popular films as Looking for Mr Goodbar 1977 This comprehensive filmography to homosexual characters in mainstream movies 1914 1992 includes full

cast and credits production information reviews and an analysis of the film with an essay blending critical commentary and a synopsis of each film

Hollywood v. Hard Core Jon Lewis, 2002-09-01 A tale of censorship and regulation at the heart of the modern film industry In 1972 *The Godfather* and *Deep Throat* were the two most popular films in the country One a major Hollywood studio production the other an independently made skin flick At that moment Jon Lewis asserts the fate of the American film industry hung in the balance Spanning the 20th century *Hollywood v Hard Core* weaves a gripping tale of censorship and regulation Since the industry's infancy film producers and distributors have publicly regarded ratings codes as a necessary evil Hollywood regulates itself we have been told to prevent the government from doing it for them But Lewis argues that the studios self regulate because they are convinced it is good for business and that censorship codes and regulations are a crucial part of what binds the various competing agencies in the film business together Yet between 1968 and 1973 Hollywood films were faltering at the box office and the major studios were in deep trouble Hollywood's principal competition came from a body of independently produced and distributed films from foreign art house film *Last Tango in Paris* to hard core pornography like *Behind the Green Door* that were at once disreputable and for a moment at least irresistible even chic In response Hollywood imposed the industry wide MPAA film rating system the origins of the G PG and R designations we have today that pushed sexually explicit films outside the mainstream and a series of Supreme Court decisions all but outlawed the theatrical exhibition of hard core pornographic films Together these events allowed Hollywood to consolidate its iron grip over what films got made and where they were shown thus saving it from financial ruin

Shots in the Mirror Nicole Hahn Rafter, 2006 Criminologist Nicole Rafter analyses the source of the appeal of crime films and their role in popular culture She argues that crime films both reflect and shape our ideas about fundamental social economic and political issues

At a Theater or Drive-in Near You Randall Clark, 2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women's prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience
