*Public Opinion* William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio

and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium s content is a regular public opinion poll on whatever hot topic strikes the editor s fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today s world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes

**African American Authors, 1745-1945** Emmanuel S. Nelson, 2000-01-30 There has been a dramatic resurgence of interest in early African American writing Since the accidental rediscovery and republication of Harriet Wilson s *Our Nig* in 1983 the works of dozens of 19th and early 20th century black writers have been recovered and reprinted There is now a significant revival of interest in the Harlem Renaissance of the 1920s and in the last decade alone several major assessments of 18th and 19th century African American literature have been published Early African American literature builds on a strong oral tradition of songs folktales and sermons Slave narratives began to appear during the late 18th and early 19th century and later writers began to engage a variety of themes in diverse genres A central objective of this reference book is to provide a wide ranging introduction to the first 200 years of African American literature Included are alphabetically arranged entries for 78 black writers active between 1745 and 1945 Among these writers are essayists novelists short story writers poets playwrights and autobiographers Each entry is written by an expert contributor and provides a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies The volume concludes with a selected general bibliography

**Black Intellectual Thought in Education** Carl A. Grant, Keffrelyn D. Brown, Anthony L. Brown, 2015-09-25 Black Intellectual Thought in Education celebrates the exceptional academic contributions of African American education scholars Anna Julia Cooper Carter G Woodson and Alain Leroy Locke to the causes of social science education and democracy in America By focusing on the lives and projects of these three figures specifically it offers a powerful counter narrative to the dominant established discourse in education and critical social theory helping to better serve the population that critical theory seeks to advocate Rather than attempting to rescue a few African American scholars from obscurity or marginalization this powerful volume instead highlights ideas that must be probed and critically examined in order to deal with prevailing contemporary educational issues Cooper Woodson and Locke s history of engagement with race democracy education gender and life is a dynamic demanding and authentic narrative for those engaged with these important issues

**Portraits of Women in International Law** Immi Tallgren, 2023-04-15 Current histories seem to suggest that men alone have been

capable of the development of ideas analysis and practice of international law until the 1990s Is this the case Or have others been erased from the collective images of this history including the portrait gallery of notables in international law Portraits of Women in International Law New Names and Forgotten Faces investigates the slow and late inclusion of women in the spheres of knowledge and power in international law The forty two textual and visual representations by a diverse team of passionate portraitists represent women and gender non conforming people in international law from the fourteenth century onwards around the world individuals and groups who imagined developed or contested international law who earned their living in its institutions or who even indirectly may have changed its course This rich volume calls for a critical identification of the formal and informal institutional practices norms and rituals of white masculinities both in the past and in the research of international law today By abandoning reductive histories their biased frames and tacit assumptions this work brings previously unseen glimpses of international law and its agents ideas causes behaviour norms and social practices into the spotlight

**Handbook of the Sociology of Death, Grief, and Bereavement** Neil Thompson, Gerry R. Cox, 2017-04-28 The Handbook of the Sociology of Death Grief and Bereavement sets issues of death and dying in a broad and holistic social context Its three parts explore classical sociology developments in sociological thought and the ways that sociological insights can be useful across a broad spectrum of grief related topics and concerns Guidance is given in each chapter to help spur readers to examine other topics in thanatology through a sociological lens Scholars students and professionals will come away from the handbook with a nuanced understanding of the social context cultural differences power relations the role of social processes and institutions and various other sociological factors that shape grief experiences

**Medicine and International Relations in the Caribbean** Rodrigo Fernos, 2006-02 Medicine has long framed race relations in the Caribbean that basin where African and European cultures have met from the beginning of the Colonial Period to the twentieth century Whether Sir Hans Sloane founder of the British Museum and President of the Royal Society of London who as a physician wrote about African medical beliefs and practices or Dr Leonard Wood military physician who served as military governor to Cuba medicine and its practitioners have played a key role in the perception of the African Other The book is a collection of essays treating the subject from various points of views While it may perhaps not surprise the reader that colonial physicians often failed to acknowledge the same failings in their own Western medicine as that criticized of African practices the medical view found later in the period lacked that biting racism of an earlier era

*This Present Darkness* Kristen Welch, 2021-08-17 As a Christian as a college student do you want to be a feminist Why would anybody want to be a feminist And what if anything have Christians done to advance women s rights The answers lie in this book where the history of women preachers the rise of the publishing industry the creation of eighteenth and nineteenth century female seminaries and academies and the work of feminist theologians is explored This book introduces the Christian college student to a coherent story of First Second and Third Wave Feminism and how these interlocking histories overlap with

Christian faith and practice Designed for the student who has little or no knowledge of feminist histories theories and practices this book offers timelines reading lists and glossaries to help orient the student in a field of study often filled with irony and contradictions Furthermore the influence of anti feminists and the impact of visual culture tell a story of how power is made and how it is challenged Throughout this book students are invited to consider their relationship with feminism and to critically reflect on a position that holds true to their faith as they are experiencing it in the twenty first century

**Words of Fire** Beverly Guy-Sheftall,2011-07-26 In this pathbreaking collection of articles Dr Beverly Guy Sheftall has taken us from the early 1830s to contemporary times Only since the seventies have black women used the term feminism And yet it is that concept that she uses to bring into the same frame the ideas and analyses of Maria Stewart Sojourner Truth and Frances W E Harper of the early nineteenth century and the work of women such as the late Audre Lorde Barbara Smith and bell hooks who stand on the threshold of the twenty first century She has refused to cut off contemporary African American women from the long line of sisters who have righteously struggled for the liberation of African American women from the dual oppressions of racism and sexism From the epilogue by Johnnetta B Cole President Spelman College The indefatigable Beverly Guy Sheftall has put together a breathtaking sweep of African American feminist thought in one indispensable volume Elizabeth Spelman Professor of Philosophy Smith College

Freedom as Marronage Neil Roberts,2015-02-11 What is the opposite of freedom In Freedom as Marronage Neil Roberts answers this question with definitive force slavery and from there he unveils powerful new insights on the human condition as it has been understood between these poles Crucial to his investigation is the concept of marronage a form of slave escape that was an important aspect of Caribbean and Latin American slave systems Examining this overlooked phenomenon one of action from slavery and toward freedom he deepens our understanding of freedom itself and the origin of our political ideals Roberts examines the liminal and transitional space of slave escape in order to develop a theory of freedom as marronage which contends that freedom is fundamentally located within this space that it is a form of perpetual flight He engages a stunning variety of writers including Hannah Arendt W E B Du Bois Angela Davis Frederick Douglass Samuel Taylor Coleridge and the Rastafari among others to develop a compelling lens through which to interpret the quandaries of slavery freedom and politics that still confront us today The result is a sophisticated interdisciplinary work that unsettles the ways we think about freedom by always casting it in the light of its critical opposite
