Kingship and Sacrifice Valerio Valeri, 1985-06-15 Valeri presents an overview of Hawaiian religious culture in which hierarchies of social beings and their actions are mirrored by the cosmological hierarchy of the gods As the sacrifice is

performed the worshipper is incorporated into the god of his class Thus he draws on divine power to sustain the social order of which his action is a part and in which his own place is determined by the degree of his resemblance to his god The key to Hawaiian society and a central focus for Valeri is the complex and encompassing sacrificial ritual that is the responsibility of the king for it displays in concrete actions all the concepts of pre Western Hawaiian society By interpreting and understanding this ritual cycle Valeri contends we can interpret all of Hawaiian religious culture
