Sleep Long My Love:

Sleep Long, My Love Hillary Waugh, 1989-12-01 A deserted house the pathetic torso of an unknown woman and no suspects Hillary Waugh equals his classic police procedural *Last Seen Wearing* with an intriguingly adept hunt as Chief Fellows and Sgt Wilks painstakingly unearth clues where there seem to be none and find the truth the hard way , **The American Police Novel** Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor

Tides of the Sovereign Kate Gateley,2022-03-14 A centuries old rebirth curse an otherworldly Celtic prince and an

inescapable prophecy Thirty year old magic Bearer Julia Harrison had never given the notion of past lives or grand destinies any real credence or thought She has knowledge of magic and the power she shares with the women of her bloodline She s aware of the difference between Druids and Sorcerers Wielders and Bearers and so on but regardless of all of that her everyday life has always felt quite normal distinctly unmagical and never more so than as of late With the recent death of her beloved grandmother Julia finds herself severed from the only sense of place she d ever known Grandma Gertie had all but raised her and was easily the strongest connection she d had to her own magic and that of the natural world Without it she feels lost Disconnected Unable to rely on or even effectively access her own limited magics in her current emotional state Julia s primary focus turns to placing one foot in front of the other as she resumes a linguistics degree that has taken far longer to earn than it should have But when a visiting professor arrives on her Vancouver campus one who brings with him an odd sense of familiarity that s almost as compelling as his raw Celtic masculinity Julia knows that her life s journey is about to change heading off on an entirely new path What she could have never predicted or even dreamed of was that somehow they had walked that path together countless times before each time towards their own inescapable deaths at the hands of Marcus Cassius Longinus the indomitable Child of Rome
