Slices Of New Life:

Slice William Patterson, 2012-03-01 Cut By Cut When Jessie Clarkson left Sayer s Brook Connecticut she was pregnant terrified and married to a psychopath She knew Emil would do anything to prevent her incriminating him if he ever found her Staying alive for the sake of her child was all that mattered Inch By Inch Five years later Emil is dead and Jessie is ready to stop running With her daughter Abby starting school going home to be among friends and family makes sense Until the murders start All the victims are viciously stabbed and slashed across the throat And each of them has a connection to Jessie He s Getting Close Enough To Kill Is Emil still alive tracking her down or do the answers lie elsewhere in her troubled past One horrifying crime at a time a killer is making his intentions clear Jessie may have escaped Sayer s Brook once But someone is making sure she never leaves again

Slice Girls Joan Arakkal, 2019-02-01 When Dr Joan Arakkal chooses to specialise in orthopaedics while training in India a field traditionally occupied by men she slots into the world of bones with relative ease But when her career takes her to the UK and then Australia she encounters the bonemen a boy s club whose members are easily identified in the hospital corridors by their loud voices and self assured swagger who wield a stranglehold on orthopaedics Joan is totally unprepared for the obstacles and prejudices she encounters but the tables are turned when she suffers a health scare of her own which ultimately gives her the perspective she needs to speak and fight without fear A provocative reflection on the discrimination and sexism entrenched in the surgical community and particularly the world of orthopaedics *Slice Girls* shines light on a surgical path that is made needlessly challenging for women and finds that while women are ready for surgery it forces the question is surgery ready for women
