Snow Tiger:

Tigerheart Peter David,2009-05-12 Paul Dear is a good and clever boy but he s special in ways that even his adoring parents could never have imagined For by day in London s Kensington Gardens he walks and talks with the pixies and sprites and other magical creatures that dwell among the living but are unseen by most Then everything changes when tragedy strikes and a quest begins that will lead Paul to a curio shop where a magical ally awaits him and launches him into the starry skies bound for a realm where anything is possible Far from home Paul will run with fierce Indian warriors cross swords with fearsome pirates befriend a magnificent white tiger and soar beside an extraordinary ageless boy who reigns in a boundless world of imagination *Fighting Lord* Qing Lian,2020-08-20 In the past the hedonistic young master had returned to the First Prefecture of Qingzhou eight hundred years ago and was determined to forge a legend for the clan to obtain the inheritance to help him rise in power to break the conspiracy to trample on the weak to single handedly fend off millions of enemies and finally to turn the tide and advance with the momentum of the wind and clouds

PROGRAMMING WITH C# B. RAMA KRISHNA RAO,2006-12-22 Written in an engaging style this book is especially designed for the beginner or intermediate level programmer to make the C concepts accessible and exciting The book offers a coherent approach to C programming and focuses on the fundamentals from elementary to the complex concepts of the language The text is thoughtfully divided into three parts The first part provides a basic understanding of object oriented programming the NET platform and its infrastructure console and windows application programs and the various iterative and decision making statements available in C The second part introduces features such as classes objects inheritance and polymorphism indexers delegates and events The third part of the book describes the benefits of implementation of NET assemblies namespaces attributes and reflections exception handling and threads to help students appreciate the performance issues with great clarity The final two chapters are devoted to writing applications in Windows so that the students can build upon the knowledge gained from the book **KEY FEATURES** Provides scintillating coverage of both theory and practice Includes more than a hundred tested programs to develop students proficiency with C fundamentals Offers chapter end review questions with answers to enhance students fundamental skills C being one of the languages supported by Microsoft NET Framework this textbook will be useful to students of computer science computer applications information science and information technology *Shadow of the Giant* Orson Scott Card,2009-11-30 The Ender Saga continues with *Shadow of the Giant* which parallels the events of Ender s Game from a different character s point of view Bean s past was a battle just to survive He first appeared on the streets of Rotterdam a tiny child with a mind leagues beyond anyone else He knew he could not survive through strength he used his tactical genius to gain acceptance into a children s gang and then to help make that gang a template for success for all the others He civilized them and lived to grow older Then he was discovered by the recruiters for the Battle School For Earth was at war a terrible war with an inscrutable alien enemy A war

that humanity was near to losing But the long distances of interstellar space has given hope to the defenders of Earth they had time to train military geniuses up from childhood forging them into an irresistible force in the high orbital facility called the Battle School That story is told in two books Orson Scott Card s beloved classic Ender s Game and its parallel Ender s Shadow Now in Shadow of the Giant Bean s story continues Bean was the smallest student at the Battle School but he became Ender Wiggins right hand Since then he has grown to be a power on Earth He served the Hegemon as strategist and general in the terrible wars that followed Ender s defeat of the alien empire attacking Earth Now he and his wife Petra yearn for a safe place to build a family something he has never known but there is nowhere on Earth that does not harbor his enemies old enemies from the days in Ender s Jeesh new enemies from the wars on Earth To find security Bean and Petra must once again follow in Ender s footsteps They must leave Earth behind in the control of the Hegemon and look to the stars
