Snow White And The Seven Dwarfs Butterfly Fairytales Series I:

Fairy Tales and the Art of Subversion Jack Zipes, 2012-02-07 The fairy tale is arguably one of the most important cultural and social influences on children's lives. But until the first publication of *Fairy Tales and the Art of Subversion* little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children's lives, their behavior, values, and relationship to society. As Jack Zipes convincingly shows in this classic work, fairy tales have always been a powerful discourse capable of being used to shape or destabilize attitudes and behavior within culture. How and why did certain authors try to influence children or social images of children? How were fairy tales shaped by the changes in European society in the sixteenth and seventeenth centuries? Zipes examines famous writers of fairy tales such as Charles Perrault, Jacob and Wilhelm Grimm, Hans Christian Andersen, and L. Frank Baum, and considers the extraordinary impact of Walt Disney on the genre as a fairy tale filmmaker.

The Elusive Butterfly of Happiness Anthea DeVito, 2022-07-18 Throughout her lifetime, Anthea DeVito has found happiness to be elusive, just like butterflies that are beautiful when we find them but challenging to hold onto for ever. In an inspiring narrative, DeVito chronicles her search for happiness, meaning, and a purpose in her life, as well as the amazing number of tragedies, traumas, and physical hardships she has endured in the process. As she leads others through her varied experiences, DeVito also documents the world's most significant events over the past sixty years and how they impacted her life, as she spent her childhood in Penang, trained to be a nurse and then beauty therapist, owned a shop, navigated through romantic relationships and family dynamics, and experienced many adventures that included falling in a river full of crocodiles and traveling the world. *The Elusive Butterfly of Happiness* is an inspiring story of survival against all odds, as a woman reveals how she overcame seemingly overwhelming challenges to find her purpose.
