Made Up Martha Laham, 2020-10-10 Made Up exposes the multibillion dollar beauty industry that promotes unrealistic beauty standards through a market basket of advertising tricks techniques and technologies Cosmetics magnate Charles Revson a founder of Revlon was quoted as saying In the factory we make cosmetics In the store we sell hope This pioneering entrepreneur who built an empire on the foundation of nail polish captured the unvarnished truth about the beauty business in a single metaphor hope in a jar Made Up How the Beauty Industry Manipulates Consumers Preys on

Women's Insecurities and Promotes Unattainable Beauty Standards is a thorough examination of innovative and often controversial advertising practices used by beauty companies to persuade consumers mainly women to buy discretionary goods like cosmetics and scents. These approaches are clearly working: the average American woman will spend around 300 000 on facial products alone during her lifetime. This revealing book traces the evolution of the global beauty industry, discovers what makes beauty consumers tick, explores the persistence and pervasiveness of the feminine beauty ideal, and investigates the myth-making power of beauty advertising. It also examines stereotypical portrayals of women in beauty ads, looks at celebrity beauty endorsements, and dissects the looks industry. *Made Up* uncovers the reality behind an Elysian world of fantasy and romance created by beauty brands that won't tell women the truth about beauty. **The Red Heart** James Alexander Thom, 2010-08-18 The Slocum family of Northeastern Pennsylvania are the best of the white settlers: peace-loving Quakers who believe that the Indians hold the Light of God inside. It is from this good-hearted family that Frances is abducted during the Revolutionary war. As the child's terror subsides, she is slowly drawn into the sacred work and beliefs of her adoptive mother, and of all the women of these Eastern tribes, Frances becomes Maconakwa, the Little Bear Woman of the Miami Indians. Then, long after the Indians are beaten and their last hope, Tecumseh, is killed, the Slocums hear word of their long-lost daughter and head out to Indiana to meet their beloved Frances. But for Maconakwa, it is a moment of truth: the test of whether her heart is truly a red one. *The Rainbow's End: Alaska* Alice Palmer Henderson, 1898 **The Sunday Magazine**, 1880 **Tracks** K.M. Tolan, 2014-03-03 Ever look out of a train car's window and think the world rushing by isn't yours? Welcome to Hobohemia, where hobo kings vie with rail barons over the value of the human spirit and steam engines still ply the living rails. Vincent arrives searching for his long-lost sister but quickly finds himself immersed in a battle to stop the Erie Railroad from unleashing a horror that will see the end of hobo jungles and craftsmen alike. *Oz Before the Rainbow* Mark Evan Swartz, 2002 Swartz reminds us that various stage and screen dramatizations of Baum's story preceded and influenced the 1939 film. This richly illustrated book contains many rare photographs, film stills, sketches, theater programs, and movie advertisements from the different productions. Piecing together the Chicago and Broadway stage productions, 1902-3, from contemporary reviews, surviving script pages, and published song lyrics, Swartz shows how Baum and his many collaborators worked to transform the book into a popular theatrical attraction, often requiring significant alterations to the original story.
