Robert Creeley

So There Poems 1976 1983:

So There Robert Creeley, 1998 Combining three earlier sets of the poet's work this collection allows readers to follow along in his journey through life's rites of passage across an eighteen year span during which his experiences profoundly affected his writings Original

So There Robert Creeley, 1998 Combining three earlier sets of the poet's work this collection allows readers to follow along in his journey through life's rites of passage across an eighteen year span during which his experiences profoundly affected his writings Original

The Collected Poems of Robert Creeley, 1975-2005

Robert Creeley, 2008-06-03 The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams It is a study how Creeley lands syntax down the alley and his vocabulary pure English to hit meters and rhymes all of which are spares and strikes Charles Olson Robert Creeley has created a noble body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg His succinctness is like the unfettered flashing of a diamond John Ashbery Robert Creeley was one of the great giants of 20th Century American poetry This collection is his monument Paul Auster American poetry is unimaginable and happily unknowable without Creeley Andrei Codrescu author of it was today new poems Creeley is a touchstone for me a measure of what poetry is He is a genius of the sensorium as Kerouac was and a master of the ear as is Miles Davis He is a carver in space like Van Gogh Michael McClure There is no poetry more vivid immediate or telling than Robert Creeley's His Collected Poems extends the achievement of Dickinson Whitman and Williams into postwar America Creeley's excavation of particular words images and sentiments resonate beyond the pages of this book into the fabric of everyday life This is American invention at its best as necessary as the air we breathe and the ground we walk on Charles Bernstein It isn't what a poet says that counts as a work of art William Carlos Williams once wrote it's what he makes with such intensity of perception that it lives with an intrinsic movement of its own to verify its authenticity I can't think of another contemporary poet whose acute sensitivity to the particular event of making and in poetry making includes breaking each written line is as consummately fine tuned as Robert Creeley's Susan Howe He was the main support in the old house of poetry the main beam C D Wright Brown University alumni newsletter There is no poet like Creeley His multiple subjectivities and magic syllables have kept us curious and honest Never a false step never a less than tender heart for the sound and the brilliant cognitive often fierce power therein What a glorious long life in writing These late poems keep the brilliant tempo We are very lucky he is still so much among us Anne Waldman Robert Creeley transformed the momentary spontaneous music of being alive into a profoundly enduring American art brilliant necessary impeccably scored He made it new for always Peter Gizzi

The Collected Poems of Robert Creeley, 1945-1975 Robert Creeley, 2006 A collection of Creeley's work gathered from obsolesced collections small press booklets and little mags Here one can trace the development of his poetry from its early break with the Eliot Auden tradition to the development of his own

distinct voice in the middle poems such as *Words and Pieces* known for their precise terse and almost minimalist language as well as his return to the more direct concern for love and humanity Restores to print *For Love The Charm In London His Idea Thirty Things Backwards Away* and previously uncollected poems *Selected Poems of Robert Creeley, 1945-2005* Robert Creeley, 2008 Here is Creeley at his skillfully selected best full of the melodies of plain speech concise yet resonant with emotion Juliana Spahr author of *This Connection of Everyone with Lungs* So fantastically simple and so satisfyingly complicated these poems band together like the days in *One Day* One day after another perfect They all fit John Ashbery Beautifully edited by Ben Friedlander with tenderness intelligence and care A superb selection well introduced *Selected Poems* provides a great sense of the range of Creeley's accomplishment these poems among the most important of our time a way of writing with the hesitations and grace of a new found line thinking informed by sources from Emily Dickinson to Charlie Parker *Selected Poems* is at once a tribute to Creeley a perfect introduction for new readers and a valuable distillation for those who have already acquired a taste for Creeley's poetry The perfect assembly to and for one so fond of saying onward We can now go onward with these selected poems onward with these well chosen words with thanks to Robert Creeley and to Ben Friedlander Hank Lazer author of *The New Spirit* Benjamin Friedlander himself a fine poet critic and a great connoisseur of Creeley's poetry has put together a superb selection Marjorie Perloff An excellent selection and introduction It is an edition that acknowledges work that has defined the poet's career while offering a new narrative for the entire oeuvre It will join UC Press's distinguished and definitive editions of postwar poetry and will provide us all with a summary guide to Creeley's best work Michael Davidson In a quiet moment I hear Bob pause where I never would have expected it Such resolve Such heart And an ear to reckon with No truly further American poem without his Clark Coolidge author of *Counting on Planet Zero* *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The *Encyclopedia of American Poetry The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States *The Best American Poetry 2007* David Lehman, Heather McHugh, 2007-09-11 The twentieth edition of *The Best American poetry* series celebrates the rich and fertile landscape of American poetry Renowned poet Heather McHugh loves words and the unexpected places they take you her own poetry elevates wordplay to a species of metaphysical wit For this year's anthology McHugh has culled a spectacular group of poems reflecting her passion for language her acumen and her vivacious humor From the thousands of poems published or posted in one year McHugh has chosen seventy five that fully engage the reader while illustrating the formal

and tonal diversity of American poetry With new work by established poets such as Louise Glück Robert Hass and Richard Wilbur The Best American Poetry 2007 also features such younger talents as Ben Lerner Meghan O'Rourke Brian Turner and Matthea Harvey Graced with McHugh's fascinating introduction the anthology includes the ever popular notes and comments section in which the contributors write about their work Series editor David Lehman's engaging foreword limns the necessity of poetry The Best American Poetry 2007 is an exciting addition to a series committed to covering the American poetry scene and delivering great poems to a broad audience

International Who's Who in Poetry 2005 Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King's Queen's Gold medal and other poetry prizes

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Best of the Best American Poetry David Lehman, Robert Pinsky, 2013-04-09 100 poems selected by Robert Pinsky that represent each volume in The best American poetry series

Purple Passages Rachel Blau DuPlessis, 2012-03-15 What is patriarchal poetry How can it be both attractive and tempting and yet be so hegemonic that it is invisible How does it combine various mixes of masculinity femininity effeminacy and eroticism At once passionate and dispassionate Rachel Blau DuPlessis meticulously outlines key

moments of choice and debate about masculinity among writers as disparate as Ezra Pound T S Eliot Louis Zukofsky Charles Olson Robert Creeley and Allen Ginsberg choices that construct consequential models for institutions of poetic practice As DuPlessis writes There are no genderless subjects in any relationship structuring literary culture not in production dissemination or reception not in objects discourses or practices not in reading experiences or in interpretations And as she reveals in careful and enthralling detail for the poets at the center of this book questions of masculinity loomed large and were continuously articulated in their self creation as writers in literary bonding and in its deployment These gender laden choices debates and contradictions all have a striking influence today In this empathic yet critical historical polemic DuPlessis reveals the outcomes of these many investments in the radical reconstruction of masculinity in their strains incompleteness tensions and failures At the heart of modernist maleness and poetic practices are contradictions and urgencies gender ideas both progressive and defensive In a striking book on male behavior in poetic dyads the third book in a feminist critical trilogy DuPlessis tracks the poetic debates and arguments about gender that continuously affirm patriarchal poetry

If I Were Writing This Robert Creeley, 2008-08 If I were writing this was the last book of poems completed by Robert Creeley and published during his lifetime New Directions 2005 The words he wrote to describe this book are oddly prophetic Age brings experience not wisdom age makes time actual each day another until there is no more These poems have been my company my solace my feelings my heart When they cannot speak it will all be silence Though Creeley died in 2005 his poems are not silent they vibrantly continue to embrace life while acknowledging with no self pity the inevitability of death The message as he always ended his letters is Onward

A Poet's Revolution Donna Hollenberg, 2013-04-17 The first full length biography of British born poet Denise Levertov 1923 1997 brings to life a major voice in American poetry during the second half of the twentieth century Drawing on exhaustive archival research of Levertov s entire opus and on interviews with dozens of the poet s friends Donna Krolik Hollenberg s authoritative biography captures the full complexity of Levertov s entire opus and on interviews with dozens of the poet s friends Donna Korlik Hollenberg s authoritative biography captures the full complexity of Levertov as both a woman and an artist and the dynamic world she inhabited Front jacket flap

Stubborn Poetries Peter Quartermain, 2013-06-25 Stubborn Poetries is a study of poets whose work because of its difficulty or simple resistance to conventional explication remains more or less firmly outside the canon Book jacket *John Ashbery and English Poetry* Ben Hickman, 2012-03-07 A study of how we should read one of America s most important poets

The Oxford Encyclopedia of American Literature: Academic novels-The essay in America , 2004 **The Writers**

Directory 2008 Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography The Canadian Short Story John Metcalf, 2018-09-25 No other person has done more to celebrate and encourage the short story in Canada than John Metcalf For more than five decades he has

worked tirelessly as editor anthologist writer critic and teacher to help shape our understanding of the form and what it can do The long time editor of the yearly Best Canadian Stories anthology as well as a fiction editor at some of the pre eminent literary presses in the country for more than forty years he has worked to support and champion several generations of our best writers Literature in Canada would be far less without his efforts Sifting through a lifetime of reading writing and thinking about the short story in this country and where it fits within the larger currents of world literature Metcalf s magisterial The Canadian Short Story offers the most authoritative book on the subject to date Most importantly it includes an expanded and reconsidered Century List Metcalf s critical guide to the best Canadian short story collections of the last 100 years But more than a critical book The Canadian Short Story is a love letter to the form a passionate defense of the best of our literature and a championing of those books and writers most often over looked It is a guide not only to what to read but also one its author s most fervent desire which aims to make better readers of us all *The Penguin Anthology of Twentieth-century American Poetry* Rita Dove,2011 An anthology of twentieth century American poetry featuring Wallace Stevens T S Eliot Elizabeth Bishop Robert Hayden Gwendolyn Brooks Derek Walcott Adrienne Rich John Ashbery Anne Sexton and many others Critical Survey of Poetry Philip K. Jason,2003 Presents alphabetized profiles of nearly seven hundred significant poets from around the world providing biographies primary and secondary bibliographies and analysis of their works
