What's wrong with My Kid? and Recovering My Kid Bundle Joseph Lee,George E. Leary, Jr.,2013-01-08 A down to earth judgment free guide on recognizing the warning signs of alcohol and drug use in their kids recognizing if there s a problem and creating a safe supportive environment during treatment and throughout recovery A down to earth judgment free guide on recognizing the warning signs of alcohol and drug use in their kids recognizing if there s a problem and creating a safe supportive environment during treatment and throughout recovery Raising a child is tough as it is but when

your kid becomes addicted to alcohol or other drugs it can feel as if you're living a nightmare. You're not alone. In the *What's Wrong with My Kid and Recovering My Kid* bundle, authors George E. Leary Jr and Dr. Joseph Lee take worried, confused, and angry parents by the hand and address their most pressing questions and fears: What are the warning signs of addiction? Is my child addicted? What is addiction? What happens when my child returns home from treatment? How can my family support his or her recovery? What if my child relapses? How can my family get well again? This book will help family members begin to identify whether or not their child has a problem and if so, they will be able to understand what their loved one is going through and how they can help the addict adjust to a clean and sober life while still taking care of themselves. **Ethics for**

A-Level Mark Dimmock, Andrew Fisher, 2017-07-31 What does pleasure have to do with morality? What role, if any, should intuition have in the formation of moral theory? If something is simulated, can it be immoral? This accessible and wide-ranging textbook explores these questions and many more. Key ideas in the fields of normative ethics, metaethics, and applied ethics are explained rigorously and systematically with a vivid writing style that enlivens the topics with energy and wit. Individual theories are discussed in detail in the first part of the book before these positions are applied to a wide range of contemporary situations, including business ethics, sexual ethics, and the acceptability of eating animals. A wealth of real-life examples set out with depth and care illuminate the complexities of different ethical approaches while conveying their modern-day relevance. This concise and highly engaging resource is tailored to the Ethics components of AQA Philosophy and OCR Religious Studies with a clear and practical layout that includes end-of-chapter summaries, key terms, and common mistakes to avoid. It should also be of practical use for those teaching Philosophy as part of the International Baccalaureate. *Ethics for A-Level* is of particular value to students and teachers, but Fisher and Dimmock's precise and scholarly approach will appeal to anyone seeking a rigorous and lively introduction to the challenging subject of ethics. Tailored to the Ethics components of AQA Philosophy and OCR Religious Studies. **Brief Intervention for School Problems, Second Edition** John J.

Murphy, Barry L. Duncan, 2010-06-03 Every interaction with a young person who is struggling is an opportunity for change. This highly practical guide helps school practitioners find effective solutions to academic and behavioral problems through brief counseling. It shows how to build on the ideas and resources that students, parents, and teachers bring to the intervention process within an innovative, research-supported, time-limited framework. Extensive case material illustrates the authors' creative approach to building solutions and busting problems by putting clients in the driver's seat. Filled with real-world examples from both elementary and secondary settings, the book presents creative strategies for addressing disciplinary problems, poor academic performance, anxiety, compulsive behaviors, and other common difficulties.
