Sober Faith:

Sober Faith Stephanie Perry Moore, 2000-07-01 Payton Skky and her girlfriends are in their senior year at their Georgia high school and loving every minute of it But the rest of Payton s crew has strayed from God and continues to make bad decisions While chasing after a good time her friends begin experimenting with alcohol drugs and sexual sin How can Payton help her girls turn toward God and away from those sins Can she resist her own impulses to try things she knows are against God s will See if Payton discovers how to show her friends that true faith is sober faith **Spiritual Sobriety** Elizabeth

Esther, 2016-04-19 It s easy to get high on God in America But is this good religion In a compelling follow up to her memoir *Girl at the End of the World* Elizabeth Esther explores how religious fervor can become religious addiction The evidence is everywhere In families who inexplicably choose to harm their children in order to abide by cultic church doctrine But in ordinary believers too who use God the same way addicts use drugs or alcohol to numb pain alter their mood or simply to escape the realities of this messy unpredictable thing called life If you ve ever wondered how a religion that preaches freedom and love can produce judgmental and unkind followers if you ve ever felt captive to the demanding God of your own childhood if you ve struggled to find contentment without needing another emotional hit from a life changing conference or mountain top experience then *Spiritual Sobriety* is for you The author who grew up in a hyper controlling church cult will help you find hope and rebirth in the ruins of disillusioned faith Filled with stories and warm practical advice *Spiritual Sobriety* offers a gentle path out of the desperate cycles of craving euphoria hangover and into a freer clean and sober faith practice **A Sober Faith** George Aiken Taylor, 1953 *Empathy Prescribed* Ella Vega, 2021-02-16 Empathy prescribed to

progress and disagree without iniquities or conflict to exist together while being me Chemicals that bind to create adhering matter vital to humanity and impossible to scatter unanimously living blissful as can be scheming sorrow out of life the synthesis of you and me While living in different locales around the world Ella Vega was provided the opportunity to understand culture societies and human behavior It is with this diverse global perspective that she shares her first collection of poems that reflects on today s society and individuals Vega a Costa Rican American writer encourages us to reach inside ourselves despite living within a divisive and uncertain world and realize that we are similar and that our human experiences are still rooted in basic feelings and thoughts With deep tone and nostalgic sentiment her rhythmic poems touch on diverse topics such as the birth of new ideas the polarization of the world the quest for meaning and an objective description of emotions *Empathy Prescribed* is a compilation of poems that brings back the relevance of written verse during an uncertain time for the world and its people **Sober Faith** Stephanie Perry Moore, 2000 On top of the world after her debutante ball and her reconciliation with Tad Payton s happiness hits a wall when her friends decide to celebrate with alcohol leaving her torn between friendship and godliness **Bonhoeffer as Youth Worker** Andrew Root, 2014-10-14 The youth ministry focus of Dietrich Bonhoeffer s life is often forgotten or overlooked even though he did much work with young people and wrote a
